WHAT IS AN ABSENTEE VOTER?

Per Georgia Election Code 21-2-380 (a) the term "absentee elector" means an elector of this state who casts a ballot in a primary, election or runoff other than in person at the polls on Election Day. All this means is that any voter who votes in person during Advance Voting or who requests their ballot be mailed to them are classified as 'Absentee Voters.' They are 'absent' from their polling place on Election Day and there is no reason required to request a ballot be mailed to the voter.

WHEN AND HOW THE VOTED-BY-MAIL ABSENTEE BALLOT MUST BE RETURNED

Absentee ballots can be returned to our office either by mail or by personal delivery. The last day our office can receive a voted Absentee Ballot is on Election Day. The ballot must be turned by 7:00 p.m. to the Elections Office in order to be counted. (There are special provisions for voters in the military and/or living overseas. Contact our office for details).

WHEN WILL MY VOTED ABSENTEE BALLOT BE OPENED?

On Election Day. All absentee ballots remain sealed and under lock and key until that day. And, yes, following GA Election Code all absentee ballots submitted and accepted are counted in the final totals for every election.

ABSENTEE VOTING TURNOUT STATISTICS

The Forsyth County Voter Registrations and Elections Office posts the Absentee Voting Turnout Statistics, which includes Absentee Voting by Mail as well as Absentee Voting In Person (Advance Voting), to our website daily.
