ADDENDUM #1
INVITATION TO BID NO. 10-58-5212

This addendum supercedes and supplements all portions of the bidding documents and becomes part of the contract documents for the above referenced project.

Where any item called for in the specifications or indicated on the drawings is supplemented hereby, the original requirements shall remain in effect

Where any original item is amended, voided or superceded hereby, the provision of such item not so specifically amended, voided or superceded shall remain in effect.

**** Please note a Revised Bid Schedule has been provided as a part of this addendum to include an Option. All bidders must use the new Bid Schedule A in their bid proposal or their bid will be rejected. ****

Clarification Questions:

Question 1: Who will be running the power to the boards?

Answer: Forsyth County will have power and empty conduit for the control cable in place at the scoreboard locations prior to installation.

Question 2: Who will be responsible for the power cut off switches at the scoreboards?

Answer: The bidder will be responsible for the power cut off switches at the scoreboards.

Question 3: Will the scoreboard locations be marked?

Answer: Scoreboards locations will be marked prior to installation.

Question 4: What height do the scoreboards need to be?

Answer: The bottom of the scoreboards should be ten feet off the ground.

Question 5: Where will the scorekeepers be located?

Answer: The scorekeeper at the baseball/softball fields will be located behind the backstop fencing directly behind home plate. The scorekeeper at the soccer/football fields will be located beside the scoreboards. The scorekeeper on the Turf football field and the field directly below it will be located in the press boxes.

Question 6: Can Forsyth County provide bidders with any drawings of the elevations at the scoreboard sites?

Answer: Forsyth County does not have any drawings of the elevations available.

Option A:

Forsyth County is adding an extra scoreboard and installation to this bid as an option. Pricing for the additional scoreboard and installation will be submitted as an "add alternant" and priced separately for owner consideration. This will be considered as optional work that may or may not be added to this project:

Qty (1) scoreboard for the Turf field with Side Sponsor panel

**also to include upper and lower sponsor panels

- Dimensions: 288"L x 161"H x 6"D includes side sponsor panel approx. 48"x48"
- Also to include upper and lower sponsor panels 33" H x scoreboard length
- Construction shall be made of aluminum and vinyl
- Display should show: HOME and GUEST scores, YDS. TO GO up to 99, TIME to 99 minutes and 59 seconds (99:59), DOWN and QTR to 4. White lettering
- Digits and indicators: color RED, super bright LED lights, 18" tall digits
- Color of scoreboard shall have a BLACK face with WHITE letters
- Power requirements: scoreboard -120 VAC, 1.8 A, 60 Hz
control console -120 VAC, 0.5 A, 60 Hz
- wire for score brain

This scoreboard installation will be on the field surrounded by the walking track next to the Teen Play area

****Please note a Revised Bid Schedule has been provided as a part of this addendum to include an Option. All bidders must use the new Bid Schedule A in their bid proposal or their bid will be rejected.****
