This transmittal shall be used to submit all sign affidavits for all applications that require the posting of a yellow public hearing sign.

POSTING REQUIREMENTS VA & AP APPLICATIONS:

Yellow Public Hearing Signs:

The Unified Development Code (UDC) of Forsyth County requires the landowner, applicant, or authorized representative to place the yellow public hearing sign(s) on the subject property at least twenty-one (21), but not more than forty-five (45) days prior to the public hearing. In order to insure that the correct information is included on the public hearing sign, the Planning & Community Development Department will prepare the sign(s) and present it to the applicant once county staff has determined that all other submittal requirements are verified complete. It is the applicant's responsibility to place the sign(s) on the subject property and to maintain the sign(s) through the public hearing date. The term "maintain" means that the sign shall remain standing, be readable, and be updated regarding any changes to the date of the public hearing. A signed affidavit with a dated photo of the sign(s) placing said sign(s) against a verifiable property landmark shall be submitted to the Planning & Community Development Department by the deadline as communicated by staff. Failure to submit the affidavit shall result in the public hearing being postponed until until all posting requirements are complete. The applicant shall be responsible for removal of all public notice signs, which is to occur no later than three (3) days after the final motion or date of withdrawal. Failure to do so will result in a fine of one hundred dollars ($100) per day until the sign (s) are removed.
