# Medians

Peachtree Parkway will have a grass median for a major portion of the corridor once it is widened to four lanes which will help define the form and character of the roadway.  
Please look at each photograph and evaluate it according to the quality of the median.

# Architectural Thematic

The Avenue and Johns Creek Technology Park are located on either end of the proposed overlay district. These developments have distinguishing architectural and/or landscape features as well as an identifying logo. Please review the photos provided and your own experiences with either development to comment below.

The Avenue      What features do you like about The Avenue in the Atlanta metro area?

Johns Creek      What features do you like about Johns Creek?

Overlay District      Would you like to see a particular feature such as an identifying logo, entryway monument sign, fencing, or other design element along Peachtree Parkway that would connect the variety of businesses and residential developments along this corridor? If so, what would you like to see?
