

# Green Space: What is important to you?

Citizen input is important! Please indicate which of the criteria listed below are most important to you by placing a provided sticker in the space to the right of your top choices.

<b>Criteria</b>	<b>Priority</b>
<b>Water quality protection for rivers, streams and lakes</b>	<b>59 votes</b>
<b>Wetlands protection</b>	<b>32 votes</b>
<b>Protection of natural habitat and corridors for native plant</b>	<b>32 votes</b>
<b>Scenic protection</b>	<b>31 votes</b>
<b>Protection of archeological and historic resources</b>	<b>16 votes</b>
<b>Connection of existing or planned areas</b>	<b>20 votes</b>
<b>Utilizes existing infrastructure</b>	<b>16 votes</b>
<b>Whether the property is suited for use as a passive recreation area</b>	<b>34 votes</b>
<b>Whether the properties are reasonably distributed throughout the county</b>	<b>31 votes</b>
<b>Cost of property</b>	<b>7 votes</b>

**Please Note:** In addition to these criteria, an 'Aquifer Recharge Zone' criteria was also recommended at the July 24 Town Hall Meeting.
