WINDERMERE PARK
3355 Windermere Parkway
Cumming, GA 30041

Windermere is a 87-acre passive park which opened in October, 2004. The park provides practice soccer fields, a nature trail, an eight-foot concrete walkway and restrooms. The remaining portion of the land is designated as permanently protected green space. Scenic James Creek meanders through the park on its way to the Chattahoochee River.
