

Exhibit A

- a) Except where specifically authorized herein, licensees authorized to sell alcoholic beverages for consumption on the premises shall not permit a purchaser to remove from the premises any alcoholic beverage, except as authorized in O.C.G.A. § 3-6-4 or from outlets authorized by the Forsyth County Alcoholic Beverages Ordinance to sell malt beverages and/or wine both by the package and for consumption. This specifically prohibits the use of "to go" cups or any other device permitting any person to remove alcoholic beverages from the licensed premises, except as allowed in the planned unit development district (PUD), ~~or~~ master planned district (MPD), or certain commercial properties as provided below. This section shall not prohibit a properly licensed brewpub, brewery or distillery from selling barrels of malt beverages or distilled spirits to licensed wholesale dealers for distribution to retailers and retail consumption off the brewpub premises in growlers, and the brewery in bottles and/or cans and distillery in bottles as defined in subsection 6-7(e)(2), in accordance with the requirements of this chapter.
- b) In planned unit development districts (PUDs) or master planned districts (MPDs), licensees with valid consumption on the premises licenses within such districts may dispense and/or serve an alcoholic beverage for "carry out" purposes provided all other laws, rules and ordinances are followed, subject to the following restrictions:
- (1) One drink per person on-street limit. Within such districts, any establishment licensed to sell alcoholic beverages by the drink for consumption on the premises is authorized to dispense an alcoholic beverage in a paper or plastic cup, or other container other than a can, bottle, or glass, for removal from the premises; provided, however, that no person shall remove more than one such alcoholic beverage from the licensed premises at a time.
 - (2) Size limited to a maximum of 16 ounces. Within such districts, no container in which an alcoholic beverage is dispensed and removed from the licensed premises shall exceed 16 fluid ounces in size. No person shall hold in its possession on the streets and sidewalks, in parks and squares, or in other public places within such districts any open alcoholic beverage container which exceeds 16 fluid ounces in size.
 - (3) Drinking from can, bottle, or glass prohibited. It shall be unlawful within such district for any person to drink or attempt to drink any alcoholic beverage from a can, bottle, or glass, or to possess in an open can, bottle, or glass any alcoholic beverage on the streets, sidewalks, rights-of-way, and/or parking lot, whether public or private.
 - (4) Consumption limited to certain areas. No alcoholic beverage purchased pursuant to this provision may be consumed outside of such districts, upon any sidewalk adjacent to a church, school or park (unless specifically authorized by the county) or upon any private property without the consent of the property owner or tenant.
- c) Licensees with valid consumption on the premises licenses within developments on certain commercial properties may dispense and/or serve an alcoholic beverage for "carry out" purposes provided that all other laws, rules, and ordinances are followed. For purposes of

this subsection, this carry out provision shall be applicable only to licensees whose establishments are located within commercially zoned properties, which may include multiple adjacent parcels of land held in common ownership, consisting of a minimum of thirty-five (35) acres and not less than 400,000 square feet of retail, restaurant, and office space, and shall be subject to the following restrictions:

Within such commercial developments, any establishment licensed to sell alcoholic beverages by the drink for consumption on the premises is authorized to dispense an alcoholic beverage in a paper or plastic cup, or other container other than a can, bottle, or glass, for removal from the premises; provided, however, that no person shall remove more than one such alcoholic beverage from the licensed premises at a time.
- (2) Size limited to a maximum of 16 ounces. Within such commercial developments, no container in which an alcoholic beverage is dispensed and removed from the licensed premises shall exceed 16 fluid ounces in size. - (3) Drinking from can, bottle, or glass prohibited. It shall be unlawful within such commercial developments for any person to drink or attempt to drink any alcoholic beverage from a can, bottle, or glass, or to possess in an open can, bottle, or glass any alcoholic beverage on the streets, sidewalks, rights-of-way, and/or parking lot, whether public or private.
- (4) Consumption limited to certain areas.
