If the applicant is a nonprofit tax exempt civic, patriotic, or social club or corporation which is organized and operated in the county as a mutual benefit membership group, such club or corporation may be licensed without reference to the financial interest qualifications of this section if no officer, director, trustee, manager, member, or stockholder therein can, in any event, derive any financial gain from the sale of alcoholic beverages by such club or corporation. The individual being primarily responsible for the club or corporation's compliance with this section must meet the qualifications of an individual licensee and must make sworn statements of these qualifications as part of the application process. If the applicant is a private club, each member of its governing body must meet the qualifications of an individual licensee and must make sworn statements of these qualifications as part of the application process. The specific qualifications are as follows:

Where the licensee at the time of revocation was leasing the licensed premises, the mandatory five year disqualification period described immediately above shall still apply; however, the five year disqualification period may be reduced in the discretion of the Board upon a request by the owner of the premises for a hearing and upon the presentation of evidence demonstrating affirmative steps by the property owner to ensure that the future lease holders are appropriately screened and trained, appropriate ground leases are utilized that will authorize the property owner to terminate a lease holder that violates the county’s alcohol ordinance, and such other evidence or information as will otherwise mitigate, in the discretion of the Board, the five year disqualification period.

(5) An applicant as determined by the Department Head, by reason of such applicant’s business experience, financial standing, trade associations, personal associations, records of arrest, or reputation in any community in which he has resided, who is not likely to maintain the outlet for which he is seeking a license in conformity with federal, state, or local laws.

In addition, ingress and egress shall be provided directly to and only to the exterior of the building in which the facility is located and not to any other enclosed part of the building or adjoining building, except in hotels, motels, and high-rise office buildings where every public entrance to the outlet shall be from a lobby, hallway, or other interior portions of the primary use structure.

(7) A location and/or applicant that is not in compliance with any federal, state or local regulation, including but not limited to, a state certificate of occupancy state fire marshal certificate of approval, or payment of county taxes, fees or assessments. If the application is for a license to sell distilled spirits by the package and the premises are leased, a copy of the lease will be furnished to Forsyth County with any application to sell distilled spirits by the package. Applicants for a conditional license to sell distilled spirits by the package are not subject to this requirement; however, such applicants must supply a copy of the lease to the Department ~~head~~ Head prior to selling alcohol on the premises. It shall be unlawful for a licensee selling distilled spirits by the package to enter into any agreement whereby the rental paid for the license premises is based in whole or part on the volume of sales of alcoholic beverages by the licensed business or whereby the lessor otherwise shares in the profits or receipts from the licensed business's sale of alcoholic beverages.

e) The named licensee shall be active in the operation of the outlet and personally present on the premises sufficiently to ensure compliance with the provisions of this Ordinance. If the owner of the outlet is a corporation, the corporation and its principal officers shall be responsible for the actions of the named licensee and the conduct of the licensed business. If the owner of the outlet is a partnership, each partner shall be responsible for the actions of the named licensee and the conduct of the licensed business. If the owner of the outlet is a limited liability company, each member shall be responsible for the actions of the named licensee and the conduct of the licensed business. If the owner of the outlet is a nonprofit tax exempt civic, patriotic, or social club or a

private club, the entity, and its principal officers and/or governing body shall be responsible for the actions of the named licensee and the conduct of the licensed business.

No person shall be issued a license for the retail sale of distilled spirits if that person, or a member of ~~their~~ ~~his~~ immediate family, owns any interest in a liquor distillery, or wholesale distributorship.

g) No license to engage in the retail sale of alcoholic beverages by the drink or in the original package shall be granted or issued unless the location within such unincorporated area of the county is, at the time such application is made, located within one of the following zoning designations as prescribed by the Unified Development Code of the County: Neighborhood Shopping District (NS), Urban Village District (UV), Highway Business District (HB), Commercial Business District (CBD), Heavy Commercial District (HC), Business Park (BP), Office Commercial Multiple Story District (OCMS), Restricted Industrial District (M1), Heavy Industrial District (M2), Agricultural District (A1), Agricultural Residential District (AG-RES), Planned Unit Development District (PUD), ~~or~~ Master Planned District (MPD), ~~or~~ **Mixed-Use Center District (MCD)**. Notwithstanding this, as part of an economic development agreement with the County, the Board of Commissioners may grant an exemption to this zoning requirement for bona fide economic development projects. (b) Once an application, the accompanying documents described above, and the required investigative and license fees are filed with Forsyth County, the Forsyth County Sheriff's Office shall conduct a criminal investigation of the application and produce a written criminal investigation report concerning all information relating to fingerprinting, criminal history, arrest data, prior alcohol violations, and other matters pertaining to law enforcement. In the event the failure to obtain fingerprinting information from state and federal authorities delays completion of the written report, the Sheriff's Office may later supplement any fingerprinting information. If the fingerprinting information later reveals that the applicant fails to meet the requirements set by this Ordinance, this may be grounds for denying the application or revoking a license, despite an otherwise satisfactory written report. Upon production of the criminal investigation report, Forsyth County shall assemble the application forms and all accompanying documents relating to investigation and processing of the application and deliver such documents to the Department Head for review. If the criminal investigation report shows that the applicant meets the requirements set by this Ordinance and the Department Head believes that the applicant may meet all other qualifications of this Ordinance, the Department Head shall review the application and provide notice of approval, referral to the Board of Commissioners, or denial of the application. If the application is for a premises or building that is not yet completed, or if the Department Head finds that there may be conditions surrounding the application that warrant additional review or conditions, the Department Head shall refer the application to the Board of Commissioners to be scheduled at the next available meeting and shall inform the applicant in writing of such referral and the reasons behind such referral. If the criminal investigation report shows that the applicant fails to meet the requirements set by this Ordinance, or if the Department Head finds that the applicant fails to meet all other qualifications outlined by this Ordinance, then the Department Head shall inform the applicant, in writing, that the application has been denied, and shall set forth in reasonable detail the reasons for the denial and shall notify the applicant of ~~their~~ ~~his/her~~ right to appeal; said appeal to be before the Board of Commissioners in accordance with Section 1.12 of this Ordinance. If an applicant desires to appeal a denial by the Department Head, the applicant must file a written request for an appeal hearing with the Department Head within five (5) business days of the date of the written notice informing the applicant of the denial by the Department Head.

(c) Any application which the Department Head determines to satisfy all the qualifications outlined in this Ordinance, including character requirements as contained in the criminal investigation report of the Forsyth County Sheriff's Office, shall be administratively approved by the Department Head. If the application is for a conditional license, or there are conditions surrounding the application that warrant additional review or conditions, as determined by the Department Head, the applicant shall be scheduled for review and a public hearing at the next regularly scheduled meeting of the Board of Commissioners for which a timely legal advertisement may be run. The public hearing shall be advertised in the county legal organ at least once, no less than 15 days prior to the date of said hearing. At that meeting the applicant and any person opposed to said application has the right to present to the Board of Commissioners any information that the

Board of Commissioners determines is relevant to the licensing decision. In making its determination on whether to approve or deny the application, the Board of Commissioners shall look to the qualifications set forth in this Ordinance and consider the public interest and welfare. The Board shall have the sole discretion to grant or deny the application based on the information presented. A decision by the Board of Commissioners shall be made within thirty (30) days from the date of the Board of Commissioners' meeting, unless the decision is postponed for purposes of the Board obtaining additional information deemed necessary for consideration of the application. Notice of the decision by the Board of Commissioners shall be mailed to the applicant. In the event the application is denied, such written notification shall set forth in reasonable detail the reasons for the denial and shall notify the applicant of ~~their his/her~~ right to appeal; said appeal to be in accordance with Section 1.12 of this Ordinance.

(d) At this time the applicant makes application for a license, a sign shall be posted and furnished by Forsyth County and will be painted or printed in black letters one and one-half inches in height, against an orange background, on a two face, back-to-back surface of not less than 24 X 30 inches in space and shall be placed by Forsyth County with the base of the sign not more than three feet from the ground on the most conspicuous part of the premises, facing the most frequently traveled road, street, or highway abutting same, and not more than ten feet therefrom. The sign shall state clearly the nature and purpose of the application, and the name of the person, partnership, Limited Liability Company, organization, corporation or private club making the application.

(e) In all instances in which an application is denied under the provisions of this Ordinance, the applicant may not reapply for the same type of license for at least one year from the final date of such denial.

(f) Upon the issuance of a license, the licensee must have and continuously maintain in Forsyth County, a registered agent upon whom any process, notice, or demand required or permitted by law or under this Ordinance may be served. This person must be an individual and must be a resident of Forsyth County, Georgia. The licensee shall file the name of such agent, along with the written consent of such agent, with the Department Head in such form as he or she may prescribe.

(g) Upon administrative approval by the Department Head, or approval by the Board of Commissioners of the application for a license, the Department Head shall issue a license in accordance with the approved application. If the applicant is an individual, the license shall be issued in the name of the individual. If the applicant is a corporation having as its principal business the sale of alcoholic beverages, the license shall be issued in the name of the corporation and in the name of the majority stockholder or a principal officer of the corporation. If the applicant is a corporation having as its principal business an activity other than the sale of alcoholic beverages, the license shall be issued in the name of the corporation and in the name of the officer or employee of the corporation primarily responsible for the operation of the licensed premises. If the applicant is a partnership, the license shall be issued in the name of the partnership and in the name of one of the partners. If the applicant is a limited liability company, the license shall be issued in the name of the company and in the name of one of the members. If the applicant is a nonprofit tax exempt civic, patriotic, or social club or corporation which is

organized and operated in the county as a mutual benefit membership group, the license shall be issued in the name of the club or corporation and in the name of the individual primarily responsible for the club or corporation's compliance with this chapter. If the applicant is a private club, the license shall be issued in the name of the private club and in the name of one of the members of the private club's governing body who shall be the named licensee. All licenses issued shall be granted for the full calendar year or for the number of months remaining in the calendar year. Any applicant submitting an application on or before May 1st, shall pay the full license fee without pro-ration. Any applicant submitting an application after May 1st, shall pay one half the annual license fee. License fees are not refundable once the license is granted by the county.

(h) In the event the Department Head or the Board of Commissioners denies the application for a license, the applicant may appeal to the Board of Commissioners for reconsideration of the denial by filing a written request for an appeal hearing with the Department Head within five (5) business days of the date of the written notice informing the applicant of the denial. Any such appeal hearing concerning a denial shall be conducted according to the procedures set forth in Section 1.12.

Section 1.4.1 Conditional Approval Prior to Completion of Licensed Premise

When an application is for a location where the building, at the time of the application for an alcohol license, has not been issued a certificate of occupancy, the Board of Commissioners may issue a conditional license for such location. The applicant, or conditional licensee, is responsible for ensuring that plans for the proposed building demonstrate compliance with all provisions of this chapter and applicable provisions of this Code. No alcohol sales or consumption shall be allowed in the establishment until it has been completed in accordance with the plans and is in conformity with the requirements of the alcohol and other county ordinances and has been issued a certificate of occupancy. Any license issued under this section shall be subject to the following conditions:

- (a) A site plan must be submitted to the Department of Planning & Community Development and must have an assigned address prior to submittal of the alcohol application.
- (b) The license shall not become operational for purposes of selling alcohol until such time as the proposed outlet receives a certificate of occupancy from Forsyth County.

The survey shall be tendered to the Business License Department Head for approval.
- (d) Following receipt of a certificate of occupancy and approval of the new survey, the

Business License Department Head will convert the conditional license into an approved license for the sale of alcohol.

- (e) If the license is for the sale of distilled spirits by the package, a copy of the lease or deed must be submitted to Business License Department Head prior to the issuance of the approved license.
- (f) In the event that conditions (b) and (c) are not met, the conditional license issued shall be deemed null and void.
- (g) Conditional licenses shall only be eligible for renewal one time. In the event that condition (d) is not met prior to the deadline set under the first allowed renewal, the Business License Department Head shall schedule a public hearing at the last regularly scheduled hearing in December.

Section 1.5 Renewal of License

(a) All licenses granted under this chapter shall expire on December 31st, of each year. An investigative fee of \$350.00 shall be required for renewal applications pertaining to licenses that are to be issued for even years in order to complete a criminal history report. In instances where a new named licensee has been designated, a criminal history report and investigative fee shall be required regardless of the year. Persons holding a license for more than any one establishment and desiring to renew the license for such establishments shall pay only one investigative fee charge. Late applications will begin being processed at the time of receipt but are not guaranteed renewal prior to January 1st. If a renewal is submitted after January 31st, a new application shall be required because renewal eligibility will not be considered past this date.

(b) For applications in which there are no changes of information and data contained in the original application, licensees shall file a renewal application accompanied by the requisite license fee with Forsyth County upon forms prescribed by the county on or before the second Monday in December of each year without penalty. These applications shall be processed by county staff and do not require a public hearing.

(c) Applications containing permissible changes as noted below shall be administratively approved by the Department Head. Such applications must be submitted by October 1st of each year without penalty. Applications will be subject to a late charge of ten percent of the license fee if received after October 1st. Permissible changes to applications are as follows:

- (1) New named licensee
- (2) New license type

(d) Applicants shall be required to file a new application if changes have occurred in the information and data furnished with the original application other than the permissible changes outlined above. Any changes to an applicant's criminal history will be subject to subsection (d)

of Section 1.8 and subsections (k) and (l) of Section 1.10.

(e) Each application for renewal will show the date of the original application and that the applicant or applicants for the renewal are familiar with applicable Georgia laws and regulations and with the rules and ordinances of the county. The applicant will furnish all information required by the renewal application and failure to furnish the information will be grounds for denying the application. A false statement made on the renewal application will void the application.

(f) Each application for renewal of a license shall be approved or denied in accordance with the procedures prescribed in Sections 1.3(c)(7) and 1.4 of this Ordinance.

Section 1.6 Transfer of License

(a) Except as otherwise provided in Section 1.7, no license for the sale of alcoholic beverages shall be transferable, except upon the death of a licensee, at which time such license may be transferred to the administrator, executor, or lawful adult heir or heirs of such deceased person. If the legal representatives of such deceased licensee cannot meet all the requirements of this Ordinance when the time arrives to renew the license, it shall not be renewed.

(b) Whenever a licensee doing business as a sole proprietorship loses its license as a result of the provision of this Ordinance, the licensee's successor in interest, upon filing an application for a new license, may continue to operate under the terms of the prior license until such time as the new application is approved or denied by the Department Head; provided, however no such continued operation shall be authorized until such time as a new application is approved or denied by the Department Head; provided, however, no such continued operation shall be authorized until such time as a new application for license is made and the required fees paid to Forsyth County to be forwarded to the Department Head. Payment of fees shall not be required of a corporation whose predecessor in interest remains the named licensee under the new license.

Section 1.7 Restrictions and Prohibitions

(a) It shall be unlawful for any person to manufacture, distribute, sell, or possess for the purpose of sale, any alcoholic beverage when such person does not have a license from the county to sell or possess or manufacture for sale such beverage, provided that this subsection shall not be interpreted to preclude the otherwise legal practice of private production of beer as permitted under O.C.G.A. § 3-5-4 or the private production of wine as permitted under O.C.G.A. § 3-6-3 for private party conducted at a private home, business, or other private establishment for which alcoholic beverages are provided at no charge.

(2) The subsection shall not prohibit the sale of single cans or bottles, or other consumer containers of malt beverages originally intended for individual sale. This subsection shall also not prohibit retailers from utilizing a “pick six” format, wherein customers select six individual bottles or cans of malt beverages for sale as a custom six-pack. Any retailer utilizing a “pick six” format must fully comply with State laws and regulations.

(3) The subsection shall not prohibit the sale of growlers, distilled spirits not to exceed 2,250 milliliters per consumer per day, and malt beverages not to exceed 288 ounces per consumer per day, in compliance with this subsection, by a licensee, or employee of the licensee, authorized to sell alcoholic beverages, by the package or by a licensee authorized by the state to operate a brewpub, or employee of the brewpub licensee, by the licensee authorized by the state to operate a distillery, or by the employee of the distillery, or by the licensee authorized by the state to operate a brewery, or by the employee of the brewery. Furthermore, the filling of growlers by means of a tapped keg shall not constitute the breaking of a package as contemplated by O.C.G.A. § 3-3-26. license, or State Department public safety identification card as prescribed by Georgia law under O.C.G.A. § 3-3-23. Proper identification shall not include a birth certificate.

(h) Notwithstanding any contrary term or prohibition in this chapter, in any retail package liquor store in which alcoholic beverages are legally sold in unbroken packages, the tasting of alcohol samples by retail dealers and their employees is permitted to the extent allowed by O.C.G.A. § 3-3-26. Consumption of alcoholic beverages on the premises is allowed, if the licensee holds a state brewpub license, is a state licensed distillery or a state licensed brewery, and complies with all requirements in this chapter related to retail growler sales by brewpubs, retail sales of distilled spirits by a distillery or retail sales of malt beverages by a brewery.

(i) Except where specifically authorized herein, no licensee or employee of the licensee, authorized to sell alcoholic beverages by the drink shall permit any person to remove from the licensed premises any alcoholic beverage sold or dispensed for consumption on the premises. This specifically prohibits the use of “to go” cups or any device permitting any person to remove the alcoholic beverages from the licensed premises. This section shall not prohibit the sales of mixed drinks to-go for any food service establishment which is licensed to sell distilled spirits for consumption on the premises to the extent allowed by O.C.G.A. § 3-3-11. Notwithstanding the restrictions contained in this subsection (i), duly licensed brewpubs shall be entitled to sell growlers, as well as a licensed distillery and licensed brewery as defined in Section 6-7(e)(3), in compliance with this chapter.

No retail licensee shall purchase alcoholic beverages from any person, firm, or corporation other than a wholesaler licensed under this Ordinance. No wholesaler shall sell any alcoholic beverage to anyone other than a retailer licensed under this Ordinance.

(l) Delivery and/or the sale of alcohol shall be permissible on the premises of a golf course which is licensed to sell alcoholic beverages or as part of an “online curbside pickup” service. Licensees solely licensed to sell by the package may offer “online curbside pickup.” “Online curbside pickup” shall not be offered by any retailer licensed to sell for consumption on the premises. Online purchased goods must be delivered to the customer’s vehicle and the vehicle must be located within a clearly designated pickup area located within a paved parking area adjacent to the place of business. Any employee delivering alcoholic beverages to a vehicle for “online curbside pickup” must confirm the individual receiving the alcoholic beverages is at least 21 years of age. It shall be unlawful to sell or dispense alcoholic beverages from “drive-in” or service windows. The consumption and/or sale of alcoholic beverages shall be allowed in open areas and patios provided that the licensee is in compliance with all other appropriate regulations as to the safe and orderly operation of such outlet, including, but not limited to, regulations pertaining to maximum

capacity, ingress and egress.

(m) Home Delivery of alcohol is permitted as set out in O.C.G.A. § 3-3-10, and by regulations promulgated by Georgia Department of Revenue. For all purposes of this section, licensees possessing a retail license for consumption on premises may deliver packaged malt beverages and wine, with a qualifying food entrée. A package goods retailer may sell and deliver malt beverages and wine in unbroken packages to an individual for personal use, but not for resale. Additionally, retail packaged liquor stores that are also package goods retailers, may deliver distilled spirits in unbroken packages if the products are sold to and individual for personal use and not for resale. In addition to any criminal penalties that may be provided by law, the Business License Department Head is authorized to enforce compliance with this section. Upon each violation of ~~an~~ a provision of O.C.G.A. § 3-3-10 a licensee shall be subject to a fine not to exceed five hundred dollars (\$500.00) and a suspension of the authorization to deliver alcohol for up to thirty (30) days.

(n) The licensee shall keep the premises clean, and in proper sanitary condition, and, where applicable, in full compliance with provisions and regulations governing the conditions of the premises used for the storage and sale of food for human consumption.

(o) No licensee shall permit on the premises any gambling, betting, games of chance, punch boards, vending machines, slot machines, pin ball machines, video machines, or similar machines which are in violation of the gambling provision of the State of Georgia, provided, however, that this subsection shall not prohibit the lawful playing of bingo by establishments licensed to operate a bingo game under O.C.G.A. § 16-12-50 through § 16-12-62. No games of any type are allowed in outlets licensed for the sale of distilled spirits by the package. Pool tables, pinball, electronic, or similar machines not in violation of the gambling laws of the State of Georgia are permitted in outlets authorized to sell alcoholic beverages by the drink.

In the event that a licensee other than a sole proprietorship seeks to change one, but not both of the following: (a) the named individual licensee: or (b) the partnership, limited liability company, corporation, private club, or non-profit tax exempt organization licensee contemplated by the definition of the term 'licensee' contained in Section 1.2, the application may be administratively amended by submitting a written request to the Department Head and, in case of a named individual licensee, attaching a new Personal Statement along with an investigative fee in the amount of \$350.00. In the event the employee-applicant meets the qualifications of this chapter, the Department Head or his or her designee shall issue an Alcohol Sale Permit to the employee stating that the person is eligible for employment.

(e) Any Alcohol Sale Permit issued by the Department Head to an employee may be revoked if said permit is issued through administrative error or through an error in completing the background investigation. The Department Head or his/her designee may revoke an Alcohol Sale Permit and demand its surrender, pending a hearing before the Board of Commissioners conducted consistent

with Section 1.12, if the employee violates the provisions of this chapter or becomes one who adversely affects the public health, safety, and welfare or if it is discovered that the employee no longer satisfies the requirements for issuance of an Alcohol Sale Permit. Section 4.13 Nude Dancing; Findings; Public Purpose

Based on the experience of other urban counties and municipalities, including, but not limited to, Atlanta and Fulton County, Georgia; DeKalb County, Georgia; and Ft. Lauderdale and Palm Beach, Florida, which experiences we believe are relevant to the problems faced by Forsyth County, Georgia, we take note of the notorious and self-evident conditions attendant to the commercial exploitation of human sexuality, which do not vary greatly among generally comparable communities within our country. Moreover, it is the finding of the Board of Commissioners that public nudity (either partial or total) under certain circumstances, particularly circumstances related to the sale and consumption of alcoholic beverages in so-called “nude bars” or establishments offering so-called “nude entertainment” or “adult entertainment,” begets criminal behavior and tends to create undesirable community conditions. Among the acts of criminal behavior identified with nudity and alcohol are disorderly conduct, prostitution, and drug trafficking and use. Among the undesirable community conditions identified with nudity and alcohol are depression of property values in the surrounding neighborhood, increased expenditure for and allocation of law enforcement personnel to preserve law and order, increase burden on the judicial system as a consequence of the criminal behavior hereinabove described and acceleration of community blight by the concentration of such establishments in particular areas. Therefore, the limitation of nude conduct in establishments licensed to sell alcohol for consumption on the premises is in the public welfare and it is a matter of governmental interest and concern to prevent the occurrence of criminal behavior and undesirable community conditions normally associated with establishments which serve alcohol and also allow and/or encourage nudity. To that end, this Section 4.13 is hereby adopted.

(a) Enactment. The following types of entertainment, attire and conduct are prohibited upon any premises licensed to sell, serve or dispense alcohol beverages for consumption on such premises within the unincorporated area of Forsyth County:

(1) The employment or use of any person, in any capacity, in the sale or service of alcohol beverages while such person is unclothed or in such attire, costume or clothing, as to expose to view any portion of the female breast below the top of the areola or of any portion of the male or female pubic hair, anus, cleft of the buttocks, vulva and genitals.
