

Field Technician Approval Request Form

Please provide the following information to request approval for Field Technicians to perform inspections under the direct supervision of an approved third party inspector. Technicians may perform inspections under the supervision of an approved third party inspector provided that the technician has satisfied any specific requirements as may be designated by the building official. Technicians performing inspections under the supervision of an approved third party inspector shall possess ICC certifications relevant to the type of inspections performed. Additional information can be found in Section 18-204 of the Forsyth County Code of Ordinances.

Approved Third Party Inspector:
