

Forsyth County GIS Department As-Built Checklist Address Review

Project Name: _____

Project Number: _____ Date of Review: _____ Ticket #: _____

NOTE:

- Address(es) must be posted in compliance with the Forsyth County Code of Ordinances.
- It is the owner/developer's responsibility to submit this address to the appropriate Post Office.

Site Address must be located in a box on the cover page of the plans labeled as "Site Address" and clearly visible.

Site Address:

Address number must be located on the building footprint in a box. Example:

Remove all references of the city & zip code for this project from the plans.

All street names must be labeled on the site plan.

Label all access easements in their entirety & define easements intended use. If the easement requires a street name, said street name must be approved by Engineering.

Building numbers must be included in the Site Address Box on the cover page & inside the building footprint on the site plan.
