**Re: Advanced Disposal Services, Eagle Point Landfill
1st Semi-Annual 2020 Ground Water Monitoring Report (N39)
Permit No.: 058-012D (MSWL)
ADS-03-Groundwater**

Dear Mr. Buckles:

Pursuant to Section 2.9 of the Memorandum of Understanding, executed December 7, 2017, Advanced Disposal Services herein encloses the 1st Semi-Annual Sampling Event of 2020 (N39) Report of Groundwater Analytical Results and Statistical Analysis for the above referenced facility. The Eagle Point Landfill *is in compliance* with State regulated groundwater standards or EPD guidance regarding alternate source determination. The facility continues to assess conditions at GWC-12R pursuant to Chapter 319-3-4-.14. By copy of this letter, the County is notified of this EPD-based regulatory compliance report for environmental monitoring. If you have any questions regarding this matter, please feel free to contact me at (678)341-7144.

Sincerely,

Michael B. Stowe
Environmental Compliance Manager
