Dear Mandi,

Pursuant to the Official Code of Georgia Annotated (OCGA) Sections 21-2-229 and 21-2-230, as updated by Senate Bill 202 as adopted in 2021, I attest that I am a registered voter within Forsyth County. Please find my challenges to each of the 1,159 voters, all of which are reflected in NCOA as having changed their address.

These challenges are for the following reasons:

828 voters are challenged under OCGA Section 21-2-229 and OCGA Section 21-2-230 due to registration in NCOA, plus, where available, sale of property at which voters and/or their voting family members are registered, indicating they no longer reside in Forsyth County.

331 voters are challenged under OCGA Section 21-2-230 due to registration in NCOA for property owners/renters or their voting family members indicating they reside elsewhere in Forsyth County.

The research for these challenges was performed during March and April, 2022.

These challenges are based on the following information:

1. Forsyth County Precinct 21 voter rolls as of 11/22/2020.
2. Current NCOA data via Melissa application.
3. Forsyth County Tax Assessor online records to document property sales from Forsyth County. Links to specific voters and voting family members are provided.
4. Various state Tax Assessor online records to document property purchases in other Georgia counties or other states.
5. Various voter registration online records to document voters are registered in other states.

Please consider this my request that a hearing be held to determine these voters' eligibility to vote within Forsyth County, Georgia.
