Election Definitions

An explanation of terms as used in this guide.

Absentee Voter: Per Georgia Election Code 21-2-380 (a) the term "absentee elector" means an elector of this state who casts a ballot in a primary, election or runoff other than in person at the polls on Election Day. Any voter who votes in person during Advance Voting or who requests their ballot be mailed to them is classified as an 'Absentee Voter.' They are 'absent' from their polling place on Election Day.

Ballot: A ballot is an "official ballot" or "paper ballot" and includes the instrument, whether paper, mechanical or electronic, by which an elector casts his or her vote.

Elector: An elector is a person who possesses all the qualifications for voting now or hereafter prescribed by the laws of this state, including applicable charter provisions, and is a registered voter.

General Election: A general election is usually held at regular intervals in which candidates are elected in all or most constituencies of a nation, state or municipality.

Oath: An oath shall include affirmation.

Photo ID: All voters voting in person will be asked to provide one of the six acceptable forms of photo identification:

- Georgia driver's license (valid or expired)
- Valid ID card by any state or U.S. with photo
- Valid U.S. passport
- Valid government employee photo ID
- Valid U.S. military ID card with photo
- Valid tribal ID card with photo

First-time voters who registered by mail without providing a photo ID may also provide a copy of a current utility bill, bank statement, government check, paycheck or other government document that contains the name and address of the voter.

Photo ID Card for Voting Purposes: If a voter does not have one of the forms of photo identification listed above, they are eligible to receive a free Georgia ID card for voting purposes ONLY. These cards are issued in the Voter Registrations & Elections Office. Contact the Elections Office at (770) 781-2118 for more information or to schedule an appointment to have a free Georgia ID card for voting purposes issued.

Polling Place: A polling place is the room provided in each precinct for voting at a primary or election.

Precinct: A precinct is synonymous with the term "voting precinct" and means a geographical area from which all electors vote at a designated polling place.

Primary: A primary is any election held for the purpose of electing party officers or nominating candidates for public offices to be voted for at an election.

Provisional Ballot: A provisional ballot is a paper ballot used by a voter when their eligibility to vote cannot be determined at the polling place. There are several reasons when a provisional ballot may be an option for the voter, including, but not limited to: the voter has a good faith belief their name should appear on the voter rolls, but it does not appear; the voter does not have one of the acceptable forms of photo identification; and the voter goes to the incorrect polling place on Election Day. The voter is provided additional instruction for curing their provisional ballot, if applicable. The Elections Office staff is allowed three additional days to conduct research. The Forsyth County Board of Voter Registrations & Elections (BRE) will ultimately determine whether to count or to reject the provisional ballots cast.

Special Election: A special election is an election scheduled at other than the usual date for a specific purpose, often to fill an office that has become vacant before the incumbent has completed the term or to pose a question to the voters.

Voter Registration Information

In Georgia, voters must be registered to vote 30 days prior to the election in order to be eligible to vote in the election and any subsequent runoff. A Voter Registration Application must be completely filled out and signed. A voter must provide a valid residence address. A voter's Election Day polling place is assigned specific to where their residence lies within the designated precinct lines. The deadline to register to vote or make updates to your registration record and to have those changes be in effect for the November 8 General Election & Special Election is **Tuesday, October 11**.

All voters are encouraged to confirm they are registered to vote and their name and address appear correctly in the statewide voter registration system. Go to www.mvp.sos.ga.gov to verify your information, call the Elections Office or scan here.

Voter Registration Requirements

In order to be eligible to register to vote, a person must be a citizen of the United States and the state of Georgia, at least 17 ½ years of age, a resident of the county or municipality in which he/she seeks to vote, not currently serving a felony conviction AND not judicially determined to be mentally incompetent to vote.

Georgia Voters Do Not Register by Party/Ballot Type

In Georgia, voters do not register by party. When voting in a Primary, each registered voter chooses a Democratic, Republican or NonPartisan General/Special Election (if applicable) ballot. The General Primary (and General Primary Runoff) were held in May and June, respectively.

Three Ways to Register to Vote

Online: Go to registertovote.sos.ga.gov/GAOLVR/ or www.mvp.sos.ga.gov.

The Online Voter Registration System can be used with or without a valid Georgia driver's license or identification number. If you have a valid driver's license or identification card issued by the Georgia Department of Driver Services (DDS) with your signature on file with DDS, your application can be completed and submitted online. The application must be dated and time-stamped no later than 11:59 p.m. on the Voter Registration Deadline date. If you do not have a valid Georgia driver's license or identification card, you will be able to complete the form and then you will be prompted to print, sign and manually submit a paper registration application. The Application must be USPS postmarked by the Voter Registration Deadline date or delivered in person to our office no later than the close of business on the Voter Registration Deadline date in order to be eligible to vote in the upcoming election.

In person: You can register to vote at the Forsyth County Voter Registrations & Elections Office, located at 1201 Sawnee Drive, Cumming, GA 30040 or at any of the four public libraries in the County. The Elections Office hours are Monday through Friday from 8 a.m. to 4:30 p.m. The application must be delivered to our office no later than the close of business on the Voter Registration Deadline date in order to be eligible to vote in the upcoming election. The public libraries are open every day with varying hours. For library registrations, the application must be completed by the close of business on the Voter Registration Deadline date in order to be eligible to vote in the upcoming election.

By mail: The application must be USPS postmarked by the Voter Registration Deadline date. Applications can be downloaded at www.forsythco.com/vote and are also available at the Elections Office and at any public library.

All properly completed applications received by the Voter Registrations & Elections Office that do not meet the above deadline will be processed after the certification of the November 8, 2022 election results.

The Ballot

The Forsyth County Voter Registrations & Elections Office understands and appreciates voters have questions about candidates and questions that appear on the ballot. It is our duty to prepare and hold the election and to facilitate voting for all voters. Office staff and poll workers are not able to provide partisan/nonpartisan information about candidates, parties or questions that appear on the ballot. Office staff and poll workers must always remain completely apolitical and nonpartisan. Voters are encouraged to research candidates and issues on the ballot prior to coming to the polls to vote.

Ballot Details

The November 8, 2022 election includes the federal/state/local General Election, the election for the Soil and Water Conservation District Supervisor, a countywide Special Election, and proposed Constitutional amendments and state-wide referendum questions. All Forsyth County voters registered by the voter registration deadline are eligible to vote in these elections. If needed, a Runoff election will be held on Tuesday, December 6, 2022.

Consolidated Sample Ballot

This guide includes a Consolidated Sample Ballot for voters to review. A Consolidated Sample Ballot contains all contests and questions within the County for the specified election. This means the Consolidated Sample Ballot will include all district contests in the County, which may or may not appear on the voter's ballot. A voter is only eligible to vote on the district contests applicable to them based on their address as registered. Copies of Consolidated Sample Ballots will be available for review at the polling place. However, due to the length of the ballot, voters are encouraged to review their Sample Ballot prior to going to the polls to vote. A voter can view their sample ballot, which only includes the district contests specific to the voter, by going to www.mvp.sos.ga.gov.

Updated District Lines

Every ten years following completion of the census, the U.S. Constitution requires all voting districts be evaluated to ensure equal representation. As law establishes that representatives are to be based on population, district lines are re-drawn as needed based upon changes in population. **In Forsyth County, analysis of the census data determined that changes were necessary to all voting districts: congressional, state senate, state house, county commission and county school board.**

- The current district lines remain in effect through December 31, 2022.
- The recently-approved district lines based on the 2020 census data will go into effect January 1, 2023. The district representing a voter today could be different from the district representing the voter on January 1, 2023.
- All contests on the ballot for the 2022 election cycle will become effective on January 1, 2023 and represent the newly approved district lines.
- Two of the Forsyth County Board of Education districts interchanged their district numbers after the district lines were re-drawn. The Board of Education, District 5 (formerly an area referred to as District 2), now appears on the ballot for the 2022 election cycle.

View details including maps at www.forsythco.com/vote.

Full Text of the Proposed Constitutional Amendments

A booklet has been prepared which includes the full text as well as summaries of the proposed constitutional amendments and the state-wide referendum questions that appear on the ballot. This booklet is available for review on our website at www.forsythco.com/vote. Printed copies will also be available for review at each polling place.

Write-in Candidates

In a General Election, a candidate must qualify to become a write-in candidate. In order to become a certified write-in candidate for an office, an individual must have posted their intention in the appropriate legal organ and completed required paperwork by specific deadlines. Write-in candidate names do not appear on the General Election ballot and they did not appear on the General Primary ballot as they did not qualify with a Party. Any votes cast for the certified candidates using the write-in option will be counted. On the electronic voting machine, when a voter touches the box next to the write-in option, a keyboard appears allowing them to type in a name. On a paper absentee ballot, a voter must choose the write-in option and then physically write in a name. For a list of certified write-in candidates see the attachment at the end of this Guide or go to our department's web page on Forsyth County's website: www.forsythco.com/vote.

Withdrawn Candidates

A candidate may withdraw after qualifying but prior to the date of the general election by filing a notarized affidavit. If the candidate withdraws after the ballots have been printed, the candidate's name will remain on the ballot. All votes cast for the withdrawn candidate will be void and shall not be counted. Notices will be posted in all polling places where the name of the withdrawn candidate appears on the ballot stating the candidate has withdrawn and all votes cast for such withdrawn candidate will be void and will not be counted. (reference O.C.G.A. 21-2-134)

If you submit a properly completed application, then your ballot is expected to be mailed to you within three business days of our office receiving your completed application once ballots can be mailed. For the upcoming election, September 20 is the earliest date to mail an absentee ballot for active military and overseas voters and October 11 for all other voters (October 10 is a federal holiday).

Where/how can I return my voted absentee ballot and what is the deadline?

Absentee Voting Turnout Statistics

The Forsyth County Voter Registrations & Elections Office posts the Absentee Voting Turnout Statistics Report, which includes how many absentee ballots have been mailed, how many voted ballots have been returned to the Elections Office and how many voters have cast their ballot by Absentee Voting In Person (Advance Voting), to our website at www.forsythco.com/vote daily. The turnout statistics posted are through the day before and are posted by approximately 10 a.m.

Voting on Election Day – November 8, 2022

Voting Hours – 7 a.m. to 7 p.m.

Preparing for Election Day:

- All 28 Forsyth County Election Day polling places are open for voting from 7 a.m. to 7 p.m. on Election Day. A map of the Election Day Voting precincts and polling places is attached to this guide.
- On Election Day, Tuesday, November 8, 2022, voters go to their designated polling place to vote.
- Only the voters registered by October 11, 2022 are eligible to vote in the November 8, 2022 election.
- All Forsyth County voters are affected by the newly approved district lines (see information on page 4 and also at www.forsythco.com/vote).
- Voters are encouraged to review their Sample Ballot prior to going to the polls to vote and may do so by going to www.mvp.sos.ga.gov.
- **PLEASE NOTE: Many Forsyth County voters have been assigned to a new Election Day polling place.** Learn more about the changes at www.forsythco.com/vote.

To answer the question: Where Do I Vote on Election Day?

- Go to your My Voter Page and click on the My Voting Location tab or
- Contact Forsyth County Voter Registrations & Elections:
www.forsythco.com/vote • (770) 781-2118 ext. 9

Visit www.mvp.sos.ga.gov or scan here with your phone.

- An Advance Voting Location MAY NOT be your designated Election Day polling place. Three of the four Advance Voting locations (Hampton Park Library, Midway Park Community Building and Sharon Springs Park Community Building) are also Election Day polling places. On Election Day **ONLY** those voters who are assigned to those designated polling places should go there to vote.
- The Forsyth County Elections Office is open all day on Election Day to answer any questions a voter may have and to accept voted absentee ballots. However, our office **IS NOT** open for voting on Election Day; it is not an Election Day polling place. A voter's polling place on Election Day is specific to where their residence (as registered) falls within designated precinct lines.
- If a voter goes to an Election Day polling place that is not their designated polling place, the poll worker will direct the voter to their assigned polling place. Between 5 p.m. and 7 p.m. on Election Day, if a voter is unable to arrive to their assigned polling place by the close of the polls, they will be offered the opportunity to cast a provisional ballot at the incorrect polling place. Provisional ballots cast are precinct specific. This means some of the candidates and contests for which the voter is eligible to vote may not be represented on the provisional ballot they cast; conversely, it is also possible that the voter is not eligible to vote for some of the candidates and contests listed on the provisional ballot they cast. Only those votes cast for contests the voter is eligible to vote for will be tabulated.

Photo Identification Required

Georgia Election Code requires all voters voting in person at the polls to present one of the acceptable forms of photo identification prior to voting. See page 2 for a list. Voters not having one of the acceptable forms of photo I.D. will be offered an opportunity to cast a provisional ballot.

Election Day Voting Turnout Statistics

On Election Day, approximated Election Day voting turnout statistics by polling place will be posted to our website periodically as available.
