Voter Registration Information

In Georgia, voters must be registered to vote 30 days prior to the election in order to be eligible to vote in the election and any subsequent runoff. A Voter Registration Application must be completely filled out and signed. A voter must provide a valid residence address. A voter's Election Day polling place is assigned specific to where their residence address as registered lies within the designated precinct lines. If a non-residence address is provided, the registration process may be delayed. The deadline to register to vote or to make updates to your registration record that will be in effect for the June 17 Special Primary is **Monday, May 19, 2025**.

All voters are encouraged to confirm they are registered to vote and their name and address appear correctly in the statewide voter registration system.

Go to www.mvp.sos.ga.gov to verify your information, call the Elections Office or scan here.

Voter Registration Requirements

In order to be eligible to register to vote, a person must be a citizen of the United States and the State of Georgia, at least 17 ½ years of age, a resident of the county or municipality in which he/she seeks to vote, not currently serving a felony conviction, AND not judicially determined to be mentally incompetent to vote.

Georgia Voters Do Not Register by Party/Ballot Type

Georgia is an open primary state and during a primary election, a voter selects a ballot type based on their party preference for the specific primary in which they wish to vote.

Three Ways to Register to Vote

Online: Go to registertovote.sos.ga.gov/GAOLVR/ or www.mvp.sos.ga.gov.

If you have a driver's license or valid identification card issued by the Georgia Department of Driver Services (DDS) with your signature on file with DDS, your application can be completed and submitted online. The application must be dated and time-stamped no later than 11:59 p.m. on the Voter Registration Deadline date in order to be eligible to vote in the upcoming election.

In person: You can register to vote at the Forsyth County Voter Registrations & Elections Office, located at 1201 Sawnee Drive, Cumming, GA 30040 or at any of the five public libraries in the County. The Elections Office hours are Monday through Friday from 8 a.m. to 4:30 p.m. The application must be delivered to our office no later than the close of business on the Voter Registration Deadline date in order to be eligible to vote in the upcoming election. The public libraries are open every day with varying hours. For library registrations, the application must be submitted by their close of business on the Voter Registration Deadline date in order to be eligible to vote in the upcoming election.

By mail: The application must be USPS postmarked by the Voter Registration Deadline date and contain the voter's original signature. Emailed and electronically generated signatures cannot be accepted.

Applications can be downloaded at www.forsythco.com/vote and are also available at the Elections Office and at any public library.

All properly completed applications received by the Voter Registrations & Elections Office that do not meet the May 19 deadline will be processed after the certification of the June 17 Special Primary results.

The Ballot

The June 17 Primary ballot consists of the statewide Special Primary, a special election by the Democratic Party and the Republican Party to nominate candidates for the Georgia Public Service Commission (PSC) to be voted on in the ensuing November Special Election. Each member elected to the PSC shall be required to be a resident of the PSC District they represent. Each member of the commission shall be elected statewide by the electors of Georgia.

If needed, a Special Primary Runoff will be held on July 15, 2025. The statewide Special Election to elect the Public Service Commissioner for District 2 and for District 3 will be held on November 4, 2025.

The Forsyth County Voter Registrations & Elections Office understands and appreciates voters have questions about candidates and questions that appear on the ballot. It is our duty to prepare and hold the election and to facilitate voting for all voters. Office staff and poll workers are not able to provide partisan/nonpartisan information about candidates, parties or questions that appear on the ballot. Office staff and poll workers must always remain completely apolitical and nonpartisan. Voters are encouraged to research candidates and issues on the ballot prior to coming to the polls to vote.

Ballot Details

What is a special primary?

A special primary is an election held to nominate partisan candidates for public office to be voted on at a special election due to an emergency or special need outside of the usual election cycle.

Sample Ballot

This guide includes a Democratic ballot type Sample Ballot and a Republican ballot type Sample Ballot for voters to review. Voters are encouraged to review their Sample Ballot prior to going to the polls to vote. A voter can view their individual sample ballot by going to www.mvp.sos.ga.gov.

Write-in Candidates

In a *primary*, write-in candidates are not allowed. Only the names of those candidates who qualified with their respective party will appear on the special primary ballot.

Withdrawn Candidates and Disqualified Candidates

A candidate may withdraw after qualifying but prior to the date of the primary by filing a notarized affidavit. If the candidate withdraws after the ballots have been printed, the candidate's name will remain on the ballot. All votes cast for the withdrawn candidate shall be void and shall not be counted. Notices will be posted in all polling places where the name of the withdrawn candidate appears on the ballot stating the candidate has withdrawn and all votes cast for such withdrawn candidate shall be void and shall not be counted. (reference O.C.G.A. 21-2-134).

Pursuant to O.C.G.A. 21-2-5, every candidate for federal and state office who is certified by the state executive committee of a political party or who files a notice of candidacy shall meet the constitutional and statutory qualifications for holding the office being sought. The Secretary of State may challenge the qualifications of a candidate. After the process, if the candidate is determined to be unqualified, prominent notice shall be posted at each polling place advising voters of the disqualification of the candidate and all votes cast for such candidate shall be void and shall not be counted. When applicable, a list of withdrawn and disqualified candidates will be attached at the end of this Guide and will be posted to our department's web page on Forsyth County's website: www.forsythco.com/vote.

Absentee Ballot by Mail

A registered voter may request a ballot to be mailed to them for any election. Georgia does not require the voter to provide a reason for the request.

Special Provisions for Elderly/Disabled/Military/Overseas Absentee Voters

- The special provisions for voters in the military and/or living overseas only apply to elections with federal candidates on the ballot and therefore, do not apply for this special primary.
- The rules for special elections are different than the rules for a general primary and general election year. Absentee voters with an elderly or disabled status may not opt-in to automatically be issued a ballot for all

elections in 2025. An absentee voter with this designation will need to submit a new Absentee Ballot Application for each election in 2025 in which they wish to receive a ballot by mail.

What happens next after submitting my application?

- If the application meets all requirements, your application will be accepted.
- If the application *does not* meet all requirements, you will be contacted by the Elections Office by letter, by phone, or by email depending on the contact information provided on the application.

When will my ballot be mailed to me?

If you submit a properly completed application, then your ballot will be mailed to you within three business days of our office receiving your application once ballots can be mailed. For the upcoming election, Tuesday, May 27 is the earliest date to mail an absentee ballot.

How do I prepare my voted absentee ballot prior to returning it?

Voted absentee ballots should be placed inside the provided inner white secrecy envelope, which should be placed inside the provided return yellow Oath envelope. On the inside flap of the return Oath envelope where indicated, review the 'Voter Oath,' sign your name to affirm the Oath, print your name, print your date of birth, and print your GA driver's license number or GA state identification card number. If you do not have a GA driver's license/ID number, follow the directions on the Oath envelope. After securing the outer flap on the Oath envelope, review the 'Assistance section' and complete this section if you received assistance in completing your ballot.

Where/how can I return my voted absentee ballot and what is the deadline?

Voted absentee ballots may be returned to our office by mail, by personal delivery or deposited into the Official Absentee Ballot Drop Box available in the lobby of the Forsyth County Voter Registrations & Elections Office located at 1201 Sawnee Drive, Cumming, GA 30040. The drop box will be open during the same dates and hours set for Advance Voting at the Elections Office pursuant to O.C.G.A. 21-2-382 (see chart below for details).

Additionally, the Elections Office staff will accept voted absentee ballots at the front desk window during the days and times shown in the chart below.

The latest day and time a voter can return their voted absentee ballot in order for it to be accepted is Election Day in our office before the polls close at 7 p.m. The postmark date does **NOT** count. The special provisions for voters in the military and/or living overseas only apply to elections with federal candidates on the ballot and therefore, do not apply for this special primary. Election Preparations

Logic and Accuracy Testing of the voting equipment

Logic and Accuracy Testing is a collection of pre-election procedures that ensure the voting equipment to be used in an upcoming election can properly display the ballot, collect votes and tabulate results. Often referred to as L&A, these tests occur prior to the election and are conducted in such a way as to make public observation of the procedures and results possible.

For the June 17, 2025 Special Primary, Logic and Accuracy Testing (L&A) of the voting equipment to be used in the upcoming election is scheduled to begin on May 7, 2025 and will continue day to day until complete at the Forsyth County Voter Registrations & Elections Office. The L&A Testing process is open to the public. Contact the Elections Office to confirm daily testing times.

Election Definitions

An explanation of terms as used in this guide.

Absentee Voter: Per Georgia Election Code 21-2-380 (a) the term "absentee elector" means an elector of this state who casts a ballot in a primary, election or runoff other than in person at the polls on Election Day. Any voter who votes in person during Advance Voting or who requests their ballot be mailed to them is classified as an 'Absentee Voter.' They are 'absent' from their polling place on Election Day.

Ballot: A ballot is an "official ballot" or "paper ballot" and includes the instrument, whether paper, mechanical or electronic, by which an elector casts his or her vote.

Cure: The process used to correct any discrepancies on an absentee or provisional ballot in order to validate the ballot.

Elector: An elector is a person who possesses all the qualifications for voting now or hereafter prescribed by the laws of this state, including applicable charter provisions, and is a registered voter.

General Election: A general election is usually held at regular intervals in which candidates are elected in all or most constituencies of a nation, state or municipality.

Logic and Accuracy Testing: Logic and Accuracy Testing is a collection of pre-election procedures that ensure the voting equipment to be used in an upcoming election can properly display the ballot, collect votes and tabulate results. Often referred to as L&A, these tests occur prior to the election and are conducted in such a way as to make public observation of the procedures and results possible.

Oath: An oath shall include affirmation.

Photo ID: All voters voting in person will be asked to provide one of the six acceptable forms of photo identification:

- Georgia driver's license (valid or expired)
- Valid ID card by any state or U.S. with photo
- Valid U.S. passport
- Valid government employee photo ID
- Valid U.S. military ID card with photo
- Valid tribal ID card with photo

First-time voters who registered by mail without providing a photo ID may also provide a copy of a current utility bill, bank statement, government check, paycheck or other government document that contains the name and address of the voter.

Photo ID Card for Voting Purposes: If a voter does not have one of the forms of photo identification listed above, they are eligible to receive a free Georgia ID card for voting purposes ONLY. Contact the Voter Registrations & Elections Office at (770) 781-2118 to schedule an appointment to have a Photo ID card for voting purposes made.

Polling Place: A polling place is the room provided in each precinct for voting at a primary or election.

Precinct: A precinct is synonymous with the term "voting precinct" and means a geographical area from which all electors vote at a designated polling place.

Presidential Preference Primary: A presidential preference primary (PPP) is an open primary held for each political party so the electors may express their preference for one person to be the candidate for nomination by such person's party or body for the office of President of the United States. Georgia holds a Republican and a Democratic presidential preference primary in each year in which a presidential election is to be conducted. In Georgia, voters do not register by party, therefore the voter must select which ballot type they wish to vote at the time of each primary. There is no runoff election for a presidential preference primary.

Primary: A primary is any election held for the purpose of electing party officers or nominating candidates for public offices to be voted for at an election.

Provisional Ballot: A provisional ballot is a paper ballot used by a voter when their eligibility to vote cannot immediately be determined. There are several reasons when a provisional ballot may be an option for the voter, including, but not limited to: the voter has a good faith belief their name should appear on the voter rolls, but it does not appear; the voter does not have

one of the acceptable forms of photo identification; or the voter goes to the incorrect polling place on Election Day. The voter is provided additional instruction for curing their provisional ballot, if applicable. The Elections Office staff is allowed three additional days to conduct research. The Forsyth County Board of Voter Registrations & Elections (BRE) will ultimately determine whether to count or to reject the provisional ballots cast.

Special Election: A special election is an election scheduled on a date other than the usual date for a specific purpose, often to fill an office that has become vacant before the incumbent has completed the term or to pose a question to the voters. In Georgia, voters must be registered to vote 30 days prior to the election in order to be eligible to vote in the election and any subsequent runoff. A Voter Registration Application must be completely filled out and signed.

- Each member elected to the PSC shall be required to be a resident of the PSC District they represent.
- Each member of the PSC shall be elected statewide by the electors of Georgia.
- In Georgia, voters do not register to vote with a party.
- In a Primary, voters will select either a Democratic ballot type or a Republican ballot type.
- A voter's choice of ballot type for this special primary is independent of previous or future choices of ballot types for primaries.

The runoff will be comprised of the two candidates who received the most votes in the primary. If needed, a special primary runoff will be held on July 15, 2025.
- The winner of the Democratic primary (or primary runoff) in each contest will be the person whose name appears on the ballot in the November Special Election as the Democratic designee. Likewise, the winner of the Republican primary (or primary runoff) in each contest will be the person whose name appears on the ballot in the November special election as the Republican designee. The statewide Special Election to elect the Public Service Commissioner for District 2 and for District 3 will be held on November 4, 2025.
