

Public Notice of Election Day Voting Precinct and Polling Place Changes

(to run in the Forsyth County News on 2/19, 2/22 & 3/1/2022)

The Forsyth County Board of Voter Registrations and Elections (BRE) proposes to change the boundaries of certain voting precincts resulting in the creation of an additional precinct and an additional Election Day polling place and the elimination of a third precinct. On February 11, 2022 the BRE approved a series of precinct and polling place changes as they were advertised in January 2022. Two facilities are no longer available for use as polling places; therefore, it is necessary to adjust for these changes. A hearing to approve a final order adopting these changes is scheduled to take place on Thursday, March 24, 2022 at 8:00 a.m. at the Forsyth County Voter Registrations and Elections Office. This meeting is open to the public. Any person objecting to any of these changes must file his or her objections prior to March 24, 2022 at the Forsyth County Voter Registrations & Elections Office, 1201 Sawnee Drive, Cumming, GA 30040 or by email to Voter@forsythco.com. Any person with questions or comments regarding these precinct and polling place changes may contact Mandi Smith, Director, Forsyth County Voter Registrations and Elections at 770-781-2118 ext. 9 or by email at Voter@forsythco.com.

Precinct boundary maps with polling places noted are currently on display in the Voter Registrations and Elections Office, 1201 Sawnee Drive, Cumming, GA 30040 and online at www.forsythco.com/vote. Interested citizens are encouraged and invited to view the maps at the office and/or online. The available maps illustrate the current precinct configurations as well as the proposed modified precinct configurations and polling places. The county advises that minor modifications of precinct lines may occur pursuant to Redistricting legislation pending in the General Assembly.

If approved, the proposed changes will result in a total of 28 Election Day precincts and polling places and will be in effect starting with the 2022 election cycle. The proposed precinct changes are listed below in precinct order.
