

Forsyth County Water and Sewer Department

NEW LANDSCAPE INSTALLATION EXEMPTION

This exemption allows for watering of new landscaping for 30 days following installation. New landscaping may be watered any time during the 30-day exemption period. However, we *suggest not watering between 10 am – 4 pm to minimize water evaporation loss*. Drought Response Levels are subject to change and may affect the landscape exemption.

Customer Name: _____

Customer Address: _____

Type of Landscape Installed: _____

Location of New Landscape: _____

Installed By: _____

Date of Installation: _____

Date Exemption Ends: _____

Customer Signature: _____

A receipt for plant materials or installation showing the installation date **MUST** be submitted along with this form to be exempt from water violations. By signing this form, the customer acknowledges that once the 30-day exemption period has ended, the customer **MUST** adhere to the current water schedule.
