Community Updates

Census Update – Have you completed your 2020 Census form? Go to <https://www.2020census.gov/> for more information and to complete your information.

Northeast Water Reclamation Facility Update – Here is an update from Deputy County Manager Tim Merritt on the Northeast Water Reclamation Facility: Staff, working with Constantine Engineering as the county's consultant, compared 2 sites - one on the eastern end of Jot-em Down Road (Site A) and the other near the intersection of SR306 and Shadburn Road (Site B). These 2 locations are about 5 miles apart by road but only about 3 miles as the crow flies. In general the both sites are large enough for our needs and will require about the same cost of the collection system (pumps, pipes, etc.) but Site A has a lower expected cost for a effluent pipe to the lake while Site B has a lower acquisition cost. In summary, there were two factors that tipped the scale in favor of Site B - the total estimated cost is about \$1 million less than Site A largely due to a lower acquisition cost and Georgia EPD has provided preliminary approval in the form of a waste load allocation for a effluent discharge into the lake tied to this site. One additional benefit is Site B will immediately have a large industrial customer that will generate revenue to repay the cost to build and operate the facility.

With the Board of Commissioner's knowledge and support, all staff's efforts are focused solely on acquiring land and designing a water reclamation facility to be located near the intersection of Shadburn Road and SR306 (Keith Bridge Road).

Transportation Intersection Improvements – Please see the list below of twenty-eight intersection **improvement** projects that have been completed from 2013 until April 2020:

1. SR 53 at Dogwood Trail – Left & Right turn lanes

369 Widening and Interchange - The SR 369 interchange and widening project bid and closed May 14, 2020. Bids are currently under review and if bids are found to be acceptable, should go to the BOC for award in August 2020. Project construction will be three years for construction completion once notice to proceed is given to the contractor.

Coal Mountain Connector - Construction to begin in early 2021.

Matt Community Park Tennis Complex – Asphalt has been poured and is curing. Lighting and fencing erected. Pavilion erected. Progress moving along nicely. Probably looking at late September/early October opening.

Matt Community Park Recreation Center – Public input meetings will be rescheduled. Anticipated completion date 2024.

Eagles Beak Park – We are waiting on GA DNR to send us the grant contract. They said they are waiting on the State budget to be approved before they can send. The project is ready to be advertised for bid once we receive the grant contract.

Lanierland Park Phase 2 – Construction design is almost complete. Doing GeoTech drilling in some areas to secure the grading plan. Plans expected to be submitted for permitting by the end of August.

Bennett Park – We are waiting on a land acquisition to be closed in early August before getting back to master plan design. The project is expected to start construction in 2022 with 2023 completion date.

Coal Mountain Dog Park – The dog park groundbreaking was held June 25. Anticipated completion date is Fall 2020.

Historic Matt School - Board of Commissioner approved on July 14, 2020 the Foresite Group as the architect for the Matt School House Project

Coal Mountain Town Center - Architectural design work is ongoing as well as landscape design and code work. We should have public hearings and community meetings on it by mid-year.

Important Dates to Remember

- August 6** Board of Commissioners' Meeting at 5 p.m.
- August 11** State and Federal Primary Runoff
- August 20** Board of Commissioners' Meeting at 5 p.m.
- August 25** Planning Commission Public Hearings at 6:30 p.m.
