Young Deer Park to be site of festival

FORSYTH COUNTY, Georgia – Water awareness and fun will be the focus of the second annual Family Water Fest at Lake Lanier on Saturday, August 23. The event will be held at Young Deer Park on Lake Lanier from 10 a.m. to 3 p.m. and is hosted by Keep Forsyth County Beautiful and the Forsyth County Parks and Recreation Department.

“The purpose of this event is to provide citizens with a forum to learn about water quality issues affecting Georgia and its citizens as well as recreational opportunities involving water,” Environmental Program Manager Tammy Wright said. “We are working to create an afternoon full of fun activities, great food and water-related education that every family member can enjoy.”

The event will feature exhibits, demonstrations, children’s games, music and more. Young Deer Park is located at 7300 Heard Road in Cumming.
