WEAR GREEN APRIL 22

KFCB promotes Earth Day through “Greenout”

FORSYTHCOUNTY, Georgia – Wednesday, April 22 is Earth Day 2009. To increase Forsyth County’s environmental awareness, Keep Forsyth County Beautiful (KFCB) encourages all citizens to participate in a Greenout on Earth Day.

“Participating is simple,” Environmental Program Manager Tammy Wright said. “You just have to wear green on April 22. This will be a simple action to help remind people about Earth Day.”

At their April 2 meeting, the Forsyth County Board of Commissioners proclaimed April 22 as the Keep Forsyth County Beautiful Greenout. The board encourages all Forsyth County citizens to show community pride by wearing green and taking responsibility for cleaning and beautifying Forsyth County.

Earth Day started in 1970 as an effort to promote environmental awareness and resources conservation worldwide.

To receive additional information regarding the Greenout or cleanup efforts throughout the year, contact KFCB at 770.205.4573 or kfcf@forsythco.com.
