**FOR IMMEDIATE RELEASE**

**BOARD OF COMMISSIONERS TO VOTE MARCH 19**  
**ON TOILET REBATE PROGRAM**

*Rebate information will appear on consent agenda  
for BOC Regular Meeting*

**FORSYTHCOUNTY, Georgia** – During the Work Session held Tuesday, March 10, the Forsyth County Board of Commissioners approved a request to enter into a Memorandum of Agreement with the Metropolitan North Georgia Water Planning District (MNGWPD) for participation in the district-wide Toilet Rebate Program. This approval places the request on the consent agenda for the Regular Meeting to be held March 19.

If the item regarding the Toilet Rebate Program receives final approval at the March 19 meeting, the Forsyth County Water and Sewer Department will work with MNGWPD to move forward with the program.

Once approved by the MNGWPD, Forsyth County will be added to the Toilet Rebate Program. Notification and program details will be distributed once the county officially enters the program.

To be eligible for the rebate program, customers must apply for the rebate with the MNGWPD and meet certain qualifications. If a customer qualifies, the Forsyth County Water and Sewer Department will credit the customer's account with the rebate.
