**FOR IMMEDIATE RELEASE**

**KEEP FORSYTH COUNTY BEAUTIFUL TO HOST  
FIVE WORKSHOPS FOR MAKING RAIN BARRELS**

*Rain barrels help conserve water*

**FORSYTHCOUNTY, Georgia** – As drought conditions continue to affect Georgia, rain barrels serve as a popular method to capture and conserve rain water. Keep Forsyth County Beautiful (KFCB) will host five interactive spring workshops for participants to make their own rain barrels.

The spring workshops will be held March 9, March 31, April 23 and May 19 from 6:30 to 8 p.m. and June 6 from 9 to 10:30 a.m. at the Central Park Recreation Center. The workshop enrollment fee is \$45, which includes a plastic food-grade barrel and all needed supplies to construct a rain barrel. The enrollment fee (cash or check only) must be received prior to the workshop. Class size is limited for each workshop.

Central Park Recreation Center is located at 2300 Keith Bridge Road (Hwy. 306) in Cumming. To receive additional information or to reserve a spot at one of the workshops, contact KFCB at 770.205.4573 or [kfcf@forsythco.com](mailto:kfcf@forsythco.com).
