**FOR IMMEDIATE RELEASE**

**PUBLIC INPUT SOUGHT REGARDING SOLID WASTE  
MANAGEMENT PLAN UPDATES**

*Meetings scheduled for public input*

**FORSYTHCOUNTY, Georgia** – Keep Forsyth County Beautiful (KFCB) is hosting public input meetings to provide public and private waste management professionals and interested citizens an opportunity to review and comment on proposed updates to the Forsyth County Solid Waste Management Plan. This plan outlines a course of action for county officials dealing with garbage and recycling management in Forsyth County for the next decade.

As part of the review process, two public input meetings are scheduled:

- **December 14, 2009**, from 6:30 to 7:30 p.m.; Forsyth County Public Safety Complex, Room 151; 3520 Settingdown Road; Cumming, Georgia 30028
- **January 14, 2010**, 6:30 to 7:30 p.m.; Forsyth County Administration Building, Commissioners Meeting Room, Suite 220; 110 East Main Street; Cumming, Georgia 30040

“The Solid Waste Management Plan identifies the significant solid waste management trends and challenges in the county and identifies a series of needs and program goals to address those challenges,” Director of Environmental Programs Tammy Wright said.

The current plan, which was adopted in 2004, is posted on the county Web site at [www.forsythco.com](http://www.forsythco.com) under the Solid Waste Department heading. As part of the public input process, interested parties are encouraged to review this document and submit comments. Comments can be submitted the following ways:

- Via e-mail to [kfcf@forsythco.com](mailto:kfcf@forsythco.com)
