TOY COLLECTION UNDER WAY**

Collection has become a holiday tradition for department

FORSYTHCOUNTY, Georgia – The Forsyth County Fire Department is organizing the seventh annual Aerial's House toy collection to help brighten the holidays for children in need. New, unwrapped toys for Aerial's House may be dropped off now at any Forsyth County fire station or Fire Department Headquarters, located at 3520 Settingdown Road. Beginning in late November, toys for Aerial's House may also be dropped off under the Christmas tree in the County Administration Building lobby.

“Aerial's House is something the Fire Department personnel look forward to each year,” Fire Chief Danny Bowman said. “It's in our nature as firefighters to want to help our neighbors and serve our community, so collecting toys for children in need is a perfect way for us to help make a difference.”

To receive additional information regarding Aerial's House, call Fire Department Headquarters at 770.781.2180 ext 0. For information regarding the distribution of toys collected through Aerial's House, call the Forsyth County Family YMCA at 678.341.6337.
