**FOR IMMEDIATE RELEASE**

**FORSYTH SENIOR EXPO RESCHEDULED FOR FEBRUARY 27**

*Event to showcase products and services of interest for now and the future*

**FORSYTHCOUNTY, Georgia** – The eighth annual Forsyth Senior Expo has been rescheduled for Saturday, February 27, from 10 a.m. to 1 p.m. The event will be held at the Central Park Recreation Center and admission is free.

“Unfortunately, the original event date of February 13 had to be cancelled due to inclement weather,” Senior Services Director Shelley Johnson said. “We are delighted that we have been able to reschedule the expo and hope everyone can come out and enjoy all that it has to offer.”

Senior citizens, along with their families and friends, wanting to learn about products and services of interest for now or the future are invited to attend. This event will showcase health care, housing, finance, safety and security, recreation and travel, and end-of-life exhibitions. Information from non-profit institutions and local, state and national agencies will also be available at the event.

Free health screenings for blood pressure, osteoporosis, vision and hearing will be offered. No fasting is necessary for the health screenings, but availability is limited.

A free parking shuttle will be available. Door prizes and refreshments will be provided. Central Park Recreation Center is located at 2300 Keith Bridge Rd. (Hwy. 306) in Cumming. To receive more event information, contact Senior Services at 770.781.2178 or smcamarillo@forsythco.com.
