**FOR IMMEDIATE RELEASE**

**CONCORD ROAD REOPENED**

**FORSYTHCOUNTY, Georgia** – With the replacement of a cross drain at Settingdown Creek between Oak Grove Circle and Corn Drive complete, Concord Road reopened to through traffic this afternoon.

The road was temporarily closed to through traffic beginning June 1, to allow for the cross drain replacement. The project was done as a preventative maintenance measure.

“We certainly appreciate motorists’ patience during this project,” Director of Engineering John Cunard said.
