**FOR IMMEDIATE RELEASE**

**TEMPORARY CLOSURE OF CONCORD ROAD**

**FORSYTHCOUNTY, Georgia** – Concord Road will be closed to through traffic to allow for replacement of a cross drain at Settingdown Creek between Oak Grove Circle and Corn Drive. The road closure is scheduled to begin Tuesday, June 1. The road is expected to be re-opened Friday, June 11.

“This is a preventative maintenance project,” Assistant Director of Engineering Tim Allen said. “When crews noticed the existing pipes were failing, the decision was made to move forward with replacing the pipes. The replacement pipes are concrete, which will be very long-lasting.”

“We are working to make this roadway safer for citizens,” Director of Engineering John Cunard said. “We appreciate motorists’ patience during this closure.”
