FOR IMMEDIATE RELEASE

FIRE DEPARTMENT STARTS
ANNUAL AERIAL'S HOUSE TOY COLLECTION

Eighth annual event helps children in need

FORSYTHCOUNTY, Georgia – The Forsyth County Fire Department is asking local citizens to help make this holiday season special for children in need, through the eighth annual Aerial's House toy collection. Forsyth County fire stations and the Fire Department Headquarters, located at 3520 Settingdown Road, are now accepting new, unwrapped toys for Aerial's House.

Also, beginning in late November toys for Aerial's House may be dropped off under the Christmas tree in the lobby of the County Administration Building, located at 110 East Main Street in Cumming.

“Aerial's House has helped brighten the holiday season for local children for years and it is something Fire Department personnel look forward to every year,” said Fire Chief Danny Bowman. “All firefighters naturally want to make a difference in their community, so collecting toys for children in need is a fantastic way to truly help make the holiday season special for local families.”

To receive additional information regarding Aerial's House, call Fire Department Headquarters at 770.781.2180 ext 0. For information regarding the distribution of toys collected through Aerial's House, call the Forsyth County Family YMCA at 678.341.6337.
