**FOR IMMEDIATE RELEASE**

**RECYCLE ELECTRONICS NOVEMBER 20**

*KFCB expecting large turnout for annual event*

**FORSYTHCOUNTY, Georgia** – Forsyth County citizens have been known to recycle more than 90,000 pounds of electronics every November. This year, Keep Forsyth County Beautiful (KFCB) is aiming to exceed that number during the “Recycle Your Old Electronics” event as Forsyth County celebrates America Recycles Day. KFCB will host the event Saturday, November 20, from 9 a.m. to 1 p.m. at the Cumming Fairgrounds’ Parking Lot 3 off of Castleberry Road.

Accepted items for recycling include computers, stereos, CD players, cell phones, microwaves and more. The minimum donation per carload for drop-off is \$5 while an additional \$10 fee will apply for all televisions.

“This event is always well attended by the community,” said Environmental Program Manager Tammy Wright. “It is always impressive to see how many people turn out to recycle their old electronics and truly make a difference in preserving a clean environment for future generations.”

Some items, such as large wooden console televisions, toaster ovens and refrigerators will not be accepted during the event. For a complete list of acceptable and non-acceptable items, visit [www.forsythco.com](http://www.forsythco.com) or call 770.205.4573 for more details.
