FOR IMMEDIATE RELEASE

FORSYTH COUNTY FIRE CAMP TO BE HELD IN JUNE

Participants will learn about firefighting, search and rescue, CPR and more

FORSYTHCOUNTY, Georgia – If you will be entering sixth grade in August 2011 and you have ever wondered what it would be like to be a firefighter, the Forsyth County Fire Department has an opportunity for you. The Forsyth County Fire Department is hosting a free Fire Camp from Monday, June 13, through Friday, June 17, at the Fire Department Headquarters at 3520 Settingdown Road in Cumming.

Those attending Fire Camp will have the opportunity to experience the different aspects of being a career firefighter. From firefighting to search and rescue to CPR, the campers will have an unforgettable educational experience.

“The Fire Department prides itself on inviting the community’s youth to learn more about what firefighters do each and every day,” said Fire Chief Danny Bowman. “It is our hope that after attending this Fire Camp, these young people will know a little more about what is occurring when they see a fire engine driving down the road.”

Fire Camp will be held June 13-17, from 8:30 a.m. to 3 p.m. Campers may be dropped off at the camp location after 7:30 a.m. and must be picked up by 5 p.m. Those interested in attending Fire Camp must complete an application by May 1, 2011. The application is available on the Fire Department page on the county Web site at www.forsythco.com. Space for the Fire Camp is limited.
