FOR IMMEDIATE RELEASE

RECYCLE OLD ELECTRONICS APRIL 16

Citizens invited to help celebrate Earth Day by recycling

FORSYTHCOUNTY, Georgia – Forsyth County residents will have the chance to celebrate Earth Day by recycling their old, unused electronics. Keep Forsyth County Beautiful is sponsoring the “Recycle Your Old Electronics” event on Saturday, April 16, from 9 a.m. to 1 p.m. at the Cumming Fairgrounds’ parking lot 3 off of Castleberry Road.

Accepted items for recycling include computers, stereos, CD players, cell phones, microwaves and more. The minimum donation per carload for drop-off is \$5 while an additional \$10 fee will apply for all televisions.

“Local residents are invited to help celebrate Earth Day by recycling their electronics for which they no longer have a use,” Environmental Program Manager Tammy Wright said. “Taking the time to recycle these items can truly make a difference toward ensuring a clean environment for our entire community.”

Some items, such as large wooden console televisions, toaster ovens and refrigerators, will not be accepted during the event. For a complete list of acceptable and non-acceptable items, visit www.forsythco.com or call 770.205.4573 for more details.
