FOR IMMEDIATE RELEASE

**DRIVE-THROUGH SERVICE NOW AVAILABLE AT FORSYTH
COUNTY TAX COMMISSIONER'S MAIN OFFICE**

Windows added for citizen convenience

FORSYTHCOUNTY, Georgia – Citizens visiting the main office of the Forsyth County Tax Commissioner's Office may now enjoy the added convenience of drive-through service. Two new drive-through windows were recently added at the office, which is located at 1092 Tribble Gap Road. The windows will accept property tax payments, process tag renewals and issue disabled persons parking placards.

“Drive-through service was added as a convenience for our taxpayers,” Forsyth County Tax Commissioner Matthew Ledbetter said. “It provides citizens an option to come to our office for transactions without having to physically get out of their cars and come inside. We expect this to be especially helpful for our elderly residents and those with small children.”

In addition to the main office, the Forsyth County Tax Commissioner's Office also operates a Sharon Springs Park branch office, located at 1950 Sharon Road.

For more information about the Forsyth County Tax Commissioner's Office, call 770.781.2110.
