FIRE DEPARTMENT BEGINS
ANNUAL AERIAL'S HOUSE TOY COLLECTION

Ninth annual event helps children in need

FORSYTHCOUNTY, Georgia – The Forsyth County Fire Department is seeking the assistance of citizens in helping to make this holiday season special for children in need, through the department's ninth annual Aerial's House toy collection.

“Through the years and thanks to the generous support of this community, the Aerial's House toy collection has helped brighten the holiday season for many local children,” Fire Chief Danny Bowman said. “It truly is something our Fire Department personnel look forward to each and every year.”

Forsyth County fire stations and the Fire Department Headquarters, located at 3520 Settingdown Road, are now accepting new, unwrapped toys for Aerial's House.

Beginning in late November, toys for Aerial's House may also be dropped off under the Christmas tree in the lobby of the Forsyth County Administration Building, located at 110 East Main Street in Cumming.

To receive additional information regarding Aerial's House, call Fire Department Headquarters at 770.781.2180 ext 0. For information regarding the distribution of toys collected through Aerial's House, call the Forsyth County Family YMCA at 678.341.6337.
