County Procurement Department to host second annual vendor symposium

FORSYTHCOUNTY, Georgia – Vendors interested in learning how to do business with Forsyth County government are invited to attend a vendor symposium Thursday, November 3, from 8:30 to 11 a.m. This will be the second year the county has offered this event.

“We had a great turnout for our inaugural vendor symposium held last year, and we are looking forward to once again inviting vendors to come in and learn about how the county procurement process works,” Director of Procurement Donna Kukarola said. “Businesses of all types are encouraged to attend this event.”

Those attending the symposium will have the opportunity to meet buyers and contracting officers from the Forsyth County Procurement Department, learn about upcoming procurement opportunities, attend roundtable discussions about the procurement process, and network with other vendors.

The vendor symposium will be held at the Forsyth County Administration Building located at 110 E. Main Street in Cumming. Registration for the event is required and can be completed via the Procurement Department’s “Bids and Results” Web page at www.forsythco.com.
