**PUBLIC MEETING FOR REGIONAL TRANSPORTATION
ROUNDTABLE TO BE HELD IN FORSYTH COUNTY**

FORSYTHCOUNTY, Georgia – The Executive Committee of the Georgia Mountains Special Tax District Regional Transportation Roundtable will hold a series of public meetings, one of which will be held in Forsyth County. The meetings are an opportunity for citizens to provide input on proposed region-wide transportation investments in advance of the 2012 referendum scheduled as a result of the Transportation Investment Act of 2010.

On Thursday, September 22, a public meeting will be held from 5 to 7 p.m. in Suite 220 of the Forsyth County Administration Building, located at 110 E. Main Street in Cumming. The meeting will be held in an open house format, with no formal presentation, and attendees are invited to attend at their convenience between 5 and 7 p.m.

The meeting will allow citizens to meet with regional planners, Georgia Department of Transportation engineers, and public officials to view and discuss the draft list of transportation projects subject to the one percent sales and use tax referendum and generated by those local elected officials serving on the Georgia Mountains Special Tax District Regional Transportation Roundtable.

In addition to the meeting held in Forsyth County, public meetings will also be held on September 13 at the Spout Springs Library in Flowery Branch; on September 20 at the Stephens County Courthouse in Toccoa; and on September 22 at the White County Library in Cleveland.
