**FOR IMMEDIATE RELEASE**

**TEMPORARY CLOSURE OF CONCORD ROAD**

**FORSYTHCOUNTY, Georgia** – Concord Road will be temporarily closed to through traffic beginning Monday, February 6, to allow for the replacement of a stormwater cross drain structure. Concord Road will be closed to through traffic from Corn Drive to Pirkle Place. The road is expected to re-open to through traffic no later than Friday, February 10, weather permitting.

“We are appreciative of motorists’ patience during this temporary closure,” Director of Engineering John Cunard said.
