FOR IMMEDIATE RELEASE

TEMPORARY CLOSURE OF DAVES CREEK DRIVE

Work is funded by sales tax program

FORSYTHCOUNTY, Georgia – Daves Creek Drive will be temporarily closed to through traffic at Old Atlanta Road beginning Monday, August 5. The temporary closure will allow for Daves Creek Drive to be raised and re-aligned with Old Atlanta Road. The road is expected to re-open to through traffic by Sunday, September 8.

The work is part of an intersection improvement project funded by the Special Purpose Local Option Sales Tax program, SPLOST VI. As part of the project, Daves Creek Drive is being re-aligned and raised at Old Atlanta Road to improve motorists' sight distance and turning angle. The project will also include construction of left and right turning lanes on Old Atlanta Road at Daves Creek Drive.

“We appreciate motorists’ patience during this temporary closure, as work is done to improve this intersection,” Director of Engineering John Cunard said.
