FORSYTHCOUNTY, Georgia – Forsyth County government is proud to announce the Forsyth County 2012 Annual Report and Forsyth County Fire Department 2012 Annual Report are now available for citizens. Both annual reports serve to inform residents about their county and provide information on recent progress and accomplishments.

The Forsyth County 2012 Annual Report provides information regarding the county government’s projects and progress in 2012, as well as financial data.

“It is with a great deal of pride we present this annual report as a means to better acquaint citizens with their county government and the many services and programs provided,” County Manager Doug Derrer said. “We hope this annual report serves to not only keep citizens up to date on their county but also provide additional means of transparency as to the county government’s operations.”

The Forsyth County Fire Department 2012 Annual Report contains information about the Fire Department’s divisions, facilities, apparatus and more.

“We are very proud to present this annual publication to our citizens,” Fire Chief Danny Bowman said. “The goal of this publication is to present an easy-to-read statistical analysis of the precise manner in which the Fire Millage Tax is expended and show graphically where we are today, and plan to grow tomorrow.”
