FOR IMMEDIATE RELEASE

KEEP FORSYTH COUNTY BEAUTIFUL
HOSTING OPEN HOUSE APRIL 23

Celebrate Earth Day with tour of recycling convenience center

FORSYTHCOUNTY, Georgia – Keep Forsyth County Beautiful (KFCB) welcomes the community to celebrate Earth Day by learning more about the organization and its many programs and offerings through an informational open house. The open house will be held Tuesday, April 23 from 5:30 to 6:30 p.m. at the Coal Mountain Recycling Convenience Center.

“We invite citizens, clubs, organizations and businesses to attend this informational event designed to highlight what KFCB does in the community,” Environmental Program Manager Tammy Wright said. “It is an opportunity for us to connect with potential new volunteers, board members, committee members and sponsors.”

As part of the open house event, attendees can also participate in a tour of the recycling facility.

KFCB works with government, businesses, schools, civic organizations and citizens to improve beautification, litter reduction and recycling. Some of the group’s many offerings include the Adopt-A-Road program, Adopt-A-Stream program, electronics recycling events and educational presentations.

The Coal Mountain Recycling Convenience Center is located inside Coal Mountain Park at 3560 Settingdown Road.

For additional information regarding the open house, call KFCB at 770.205.4573.
