**FORSYTHCOUNTY, Georgia** – With warmer weather right around the corner, Forsyth County Parks and Recreation has opened up online registration for the 2013 summer camps. A variety of youth summer camps will be available including day camps, sports camps and specialty camps.

To register online, visit [www.forsythco.com/parks](http://www.forsythco.com/parks) and click on “Activity Registration.”

All other means of registration and the camp brochure will be available beginning April 1.

“Offering a month of online registration prior to the regular registration that will be available beginning April 1 provides an opportunity for parents to get a jump start on making summer camp plans,” said Recreation Program Supervisor Laura Pate.

“Providing online registration adds a level of convenience to parents who want to ensure their child has a spot in their favorite camp during the summer camp season,” said Parks and Recreation Director Jerry Kinsey. “We are proud to offer such a wide variety of activities every summer.”

Beginning April 1, registration will be taken in person at the county’s three recreation centers, located at Central Park, Fowler Park and Old Atlanta Park Monday through Friday from 8:30 a.m. to 5 p.m. Registration will also be accepted via fax, mail and online.
