FOR IMMEDIATE RELEASE

FORSYTH COUNTY FIRE DEPARTMENT BEGINS
AERIAL'S HOUSE TOY COLLECTION

Eleventh annual toy collection helps children in need

FORSYTHCOUNTY, Georgia – The Forsyth County Fire Department is seeking the assistance of citizens in helping to make this holiday season special for children in need, through the department's eleventh annual Aerial's House toy collection.

“The very generous support of the community has allowed the Aerial's House toy collection to help brighten the holiday season for many local children over the years,” Fire Chief Danny Bowman said. “Collecting the gifts is truly something the Fire Department personnel look forward to every year. It is our honor to serve this community and we are humbled to be able to give back to the community in this small way.”

New, unwrapped toys for any age and new, tagged clothing for children ages 6 to 14 may be dropped off now at Forsyth County fire stations, the Fire Department Headquarters located at 3520 Settingdown Road, or any of the county's four library branches.

Beginning in December, toys and clothing for Aerial's House may also be dropped off under the Christmas tree in the lobby of the Forsyth County Administration Building, located at 110 East Main Street in Cumming.

To receive additional information regarding Aerial's House, call Fire Prevention Officer Edward Sigelkow at 770.781.2180 ext. 4028.
