FOR IMMEDIATE RELEASE

TEMPORARY CLOSURE OF MOUNTAIN VALLEY CIRCLE

FORSYTHCOUNTY, Georgia – A portion of Mountain Valley Circle will temporarily be closed to through traffic between Mountain Valley Circle and Valley Court beginning Monday, September 30. The closure will allow for the replacement of existing storm drain structures.

The road is expected to re-open to through traffic on or before Friday, October 11, weather permitting.

“We appreciate motorists’ patience during this temporary closure,” Director of Engineering John Cunard said.
