RECYCLE ELECTRONICS OCTOBER 26

Accepted items include computers, stereos, cell phones and more

FORSYTHCOUNTY, Georgia – Make a positive impact on the environment this fall by recycling your old electronics during the upcoming Keep Forsyth County Beautiful “E-Recycle” event. The event will be held on Saturday, October 26, from 9 a.m. to 1 p.m. at the Cumming Fairgrounds’ parking lot 3 off of Castleberry Road.

Accepted items for recycling include laptops, stereos, CD players, cell phones, microwaves, cameras and more. The minimum donation per carload drop-off is \$5 while an additional \$10 fee will apply for each television.

“We are very proud to offer this event to the community,” Environmental Program Manager Tammy Wright said. “By recycling their old electronics, residents can remove unwanted items from their home while also making a difference in our environment.”

Some items, such as wooden console televisions, projector televisions, toaster ovens and refrigerators, will not be accepted during the event. For a complete list of acceptable and non-acceptable items, visit www.forsythco.com or call 770.205.4573 for more details.
