FOR IMMEDIATE RELEASE

KEEP FORSYTH COUNTY BEAUTIFUL
HOSTING AMPHIBIAN MONITORING WORKSHOP MAY 2

Free workshop offers chance to learn how to protect local waterways

FORSYTHCOUNTY, Georgia – Keep Forsyth County Beautiful and the Georgia Adopt-A-Stream program are hosting an evening class to listen for frog calls and find other amphibians while learning how to protect local lakes, streams and wetlands. Led by Dr. Norman Leonard from the University of North Georgia, the free workshop will be held Saturday, May 2 from 6 to 9 p.m. at the Central Park Recreation Center located at 2300 Keith Bridge Road in Cumming.

Keep Forsyth County Beautiful Community Outreach Specialist Kevin Smith said participants should bring a flashlight and be sure to wear sturdy shoes.

“We encourage anyone interested in a fun and informative evening to register,” he said. “Those participating will learn about volunteer salamander and frog monitoring.”

Attendees must be at least 12 years old to participate. To register, visit www.keepforsythcountybeautiful.org. For questions, contact Kevin Smith at 678.513.5892 or kdsmith@forsythco.com.
