APRIL 28, 2017

### FOR IMMEDIATE RELEASE

### OUTDOOR BURN BAN GOES INTO EFFECT MAY 1

*Ban runs through end of September*

**Forsyth County, Georgia** – A countywide, state-mandated ban on outdoor burning goes into effect Monday, May 1, and lasts through September 30. The ban prohibits all outdoor burning including the burning of leaves, trash, yard debris and storm damage.

The Georgia Environmental Protection Division imposes this ban on outdoor burning to comply with Federal Clean Air Regulations. During the summer months in Georgia, the ozone in the air can reach unhealthy levels. Open burning has been identified as a significant contributor of the pollutants that form ozone.
