FOR IMMEDIATE RELEASE

2016 FORSYTH COUNTY ANNUAL REPORT AND 2016 FORSYTH COUNTY FIRE DEPARTMENT ANNUAL REPORT NOW AVAILABLE

Both reports can be viewed at forsythco.com

Forsyth County, Georgia – The 2016 Forsyth County Annual Report and 2016 Forsyth County Fire Department Annual Report are now available. Both annual reports provide information on recent projects, accomplishments and statistics.

The 2016 Forsyth County Annual Report includes county government projects and progress in 2016, highlights of the year and recent financial data.

“I hope this annual report – that includes everything from information about new facilities and parks to a breakdown of the county’s spending in 2016 – better familiarizes residents with their county government and all the great work our employees do,” said Interim County Manager Tim Merritt.

The 2016 Forsyth County Fire Department Annual Report offers an in-depth look at the fire department divisions, stations, equipment and the year in review.

“The Fire Department takes great pride in serving the citizens and in providing this annual report to the community. It is designed to offer better insight into the many services our personnel provide and how the department is funded,” said Fire Chief Danny Bowman.

Visit the Forsyth County website – forsythco.com – to view both publications online. Copies of both reports are available inside the Forsyth County Administration Building, located at 110 E. Main Street in downtown Cumming. The Forsyth County Fire Department Annual Report is also available at the Public Safety Complex, located at 3520 Settingdown Road, and all fire stations.
