FOR IMMEDIATE RELEASE

2017 FORSYTH COUNTY ANNUAL REPORT AND 2017 FORSYTH COUNTY FIRE DEPARTMENT ANNUAL REPORT NOW AVAILABLE

Both reports can be viewed at forsythco.com

Forsyth County, Georgia – The 2017 Forsyth County Annual Report and 2017 Forsyth County Fire Department Annual Report are now available. Both annual reports provide information on recent projects, accomplishments and statistics.

The 2017 Forsyth County Annual Report includes county government projects and progress in 2017, highlights of the year and recent financial data.

“This annual report provides Forsyth County residents a glance of all the accomplishments their county government was able to achieve throughout the year,” said County Manager Eric Johnson. “My hope is that it will serve to better acquaint readers with Forsyth County government and the many services and programs provided by the county to our community.”

The 2017 Forsyth County Fire Department Annual Report offers an in-depth look at the fire department divisions, stations, equipment and the year in review.

“The Fire Department Annual Report is designed to give citizens an easy-to-read overview of their county’s fire department operations,” said Fire Chief Danny Bowman. “The Fire Department takes great pride in serving the citizens and in providing this annual report to the community.”

Visit the Forsyth County website – forsythco.com – to view both publications online. Copies of both reports are available inside the Forsyth County Administration Building, located at 110 E. Main Street in downtown Cumming. The Forsyth County Fire Department Annual Report is also available at the Public Safety Complex, located at 3520 Settingdown Road, and all fire stations.
