

Forsyth County Department of Engineering

JOHN V. CUNARD, Director

December 13, 2016

Thank you for attending the public information open house for, P.I. No. 0013369, the proposed SR 369 over SR 400 Interchange & SR 369 Widening Project from SR 9 to SR 306. In this handout package you will find a project description, location map, and comment card.

As you enter the room, you will notice displays of the proposed project. Forsyth County representatives, who can be identified by the nametags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a Forsyth County representative. There will be no formal presentation.

If you have comments, you will need to complete a comment card and deposit it into the box provided here, or send in written comments about the project until January 21, 2017. Written comments should be sent to Mr. Tim Allen, Assistant Director, Forsyth County Engineering Department, 110 East Main Street, Suite 120, Cumming, GA 30040. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let Forsyth County know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the Forsyth County Transportation & Engineering Department located at 110 East Main Street, Suite 120, Cumming, GA 30040. A copy of all comments received will be available for public review at this same location, as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments. If you should have any questions or need additional information, feel free to contact Tim Allen at (770) 781-2165 Ext: 2786.

Sincerely,

Tim L. Allen
Assistant Director
