

## **What if I request a ballot be mailed to me and then I decide I want to vote in person?**

You can do that. If you have received your ballot, take it with you to the polling place and surrender it to the poll worker. Your absentee ballot will be cancelled in the system and then you will be allowed to vote in person on the election equipment.

If you did not receive your ballot yet or it has been lost/destroyed, you will be instructed by the poll worker to complete an Affidavit attesting to not having your ballot in your possession. After the poll worker contacts the Elections Office and confirms you have not already returned your voted ballot, your absentee ballot will be cancelled in the system and then you will be allowed to vote in person on the election equipment.

There are checks and balances in place throughout the process to ensure each voter casts just one ballot.

If the Elections Office has already received your properly submitted voted absentee ballot, then you have been given credit for voting and the ballot you returned to the Elections Office will be counted. In this case, you will not be allowed to vote in person.
