ELECTION DEFINITIONS

What is a General Primary?

A primary is held by a political party to nominate candidates for public office to be voted on in the ensuing 2020 November General Election. In Georgia, a Runoff is necessary when no candidate receives a majority of the votes cast. A majority is equal to 50 percent of the votes cast plus one vote. A runoff is between the two candidates who received the most votes among the rest of the candidates. Because Georgia voters do not register to vote by party, each voter must choose a Democratic, Republican or NonPartisan ballot type when they vote in a Primary or Primary Runoff.

What Happens to the Winner of a Primary/Primary Runoff?

The winner of the Republican Primary (or Primary Runoff) in a specific race will be the person whose name appears on the ballot in the General Election as the Republican designee. Likewise, the winner of the Democratic Primary (or Primary Runoff) in a specific race will be the person whose name appears on the ballot in the General Election as the Democratic designee.

NOTE: Write-In candidates are NOT permitted in the *General Primary Runoff*. This means that there is no option to 'write-in' a candidate's name on the General Primary Runoff ballot.

GEORGIA VOTERS DO NOT REGISTER BY PARTY

In Georgia, voters do not register by party. On the day of a Primary, each registered voter chooses a Democratic, Republican or NonPartisan General/Special Election (if applicable) ballot. A voter's choice of ballot type today may be different from what it has been in the past or may be in the future.

In the case of a Primary Runoff:

Voters who chose a Democratic ballot in the Primary can only vote a Democratic ballot in the Primary Runoff.

Voters who chose a Republican ballot in the Primary can only vote a Republican ballot in the Primary Runoff.

Registered voters in US Congressional District 9 and/or State House District 9 who did not vote in the Primary or who voted a NonPartisan General/Special Election ballot are eligible to vote in the Primary Runoff and can choose either a Democratic ballot or a Republican ballot.

For this Primary Runoff, there are two ballot types:

- **Republican:** ballot contains **ONLY the Republican** Primary Runoff candidates for US Congressional District 9 and State House District 9, if voter is eligible for this election
- **Democratic:** ballot contains **ONLY the Democratic** Primary Runoff candidates for US Congressional District 9

VOTE AT YOUR CONVENIENCE: HAVE A BALLOT MAILED TO YOU!

Due to the ongoing COVID-19 pandemic threatening public health in Georgia and around the world we want to remind voters of their option to exercise their right to vote without leaving their homes and without fear for their health: request a ballot be mailed to you.

All persons desiring to have a ballot mailed to them must first submit a signed, written request/application to the Forsyth County Voter Registrations and Elections Office.

A voter's signed Request/Absentee Ballot Application may be submitted by email of a scanned copy, by email of a picture of the signed application, by fax, by mail *or* by personal delivery.

A voter may request a ballot be mailed to them for any election and is not required to provide a reason for the request. It's easy to request a ballot be mailed to you. The request/application must contain the following:

- the voter's name
- the voter's address as registered
- the voter's mailing address (if different from registration address),
- the voter's date of birth
- the date of the election (**August 11, 2020**),
- the voter's ballot type choice (Democratic or Republican)
- **AND** must be signed by the voter.

(The voter's signature on the ballot request/application is compared to the signature we have on file for the voter as a way to verify the voter. Unsigned applications or applications where the signature is simply typed in will result in a delay in the processing of the voter's absentee ballot application).

Voters may access and print an application online. The application can be found at <https://www.forsythco.com/Departments-Offices/Voter-Registrations-Elections>. Voters may also contact our office to have an absentee ballot application mailed or faxed to them for completion.

An Absentee Ballot Application is also included with this Voter Information Guide.

WHERE/HOW TO SUBMIT A COMPLETED & SIGNED ABSENTEE BALLOT APPLICATION:

To submit by Email – email the scanned Application/Written Request to:

Voter@forsythco.com

When sending a picture of the completed application, please ensure the photo is a sufficient size so that the Elections Office can read the required information.

To submit by Fax – fax the Application/Written Request to:

770-886-2825

To submit the application by Mail OR by Personal Delivery to Our Office:

Forsyth County Voter Registrations & Elections ● 1201 Sawnee Drive ● Cumming, GA 30040

DEADLINE TO REQUEST A BALLOT BE MAILED TO YOU

Voters may request an absentee ballot by mail beginning 180 days prior to an election. You may request an absentee ballot for the August 11 Runoff (and/or the November 3 General Election, the possible December 1 Runoff and the possible January 5, 2021 Runoff) elections now. **Requests for absentee ballots are usually processed within 3 business days after receipt in our office once the ballots are available for the particular election. The last day an absentee ballot can be mailed for the upcoming election is Friday, August 7, 2020. The absentee ballot application must be received in our office by the close of business (4:30 p.m.) in order to be processed and mailed by Friday, August 7.**

ONCE YOU SUBMIT YOUR APPLICATION TO HAVE AN ABSENTEE BALLOT MAILED TO YOU, WHAT HAPPENS NEXT?

- If the Application meets all requirements, a ballot will be mailed to the voter.
- If the Application *does not* meet all requirements, the voter will be contacted by the Elections Office by letter (or possibly by phone or email).

How do I know if my Application met all the requirements?

Go to www.mvp.sos.ga.gov. Login by entering your information. On your "My Voter Page" look under "Click here for Absentee Ballot status." This will show if your application was accepted and if so, when your ballot was mailed.

When will my ballot be mailed to me?

If you submit a properly completed application, then your ballot is expected to be mailed to you within three business days of our office receiving your completed application.

What if I do not receive my ballot in a timely fashion?

If, after a reasonable amount of time, you have not received your ballot or follow up communication from our office, do not delay -- contact our office. There is a process to re-issue a ballot lost in the mail. It is better to start that process sooner rather than later.

What do I do when I receive my absentee ballot in the mail?

Follow the instructions included with your ballot. Do not forget to SIGN the 'Oath of Elector' and Print Your Name on the back of the return envelope. When your ballot is returned, your signature on the 'Oath of Elector' is compared to the signature on your previous registration(s) and your absentee ballot application/request in order to verify your identity. If the 'Oath of Elector' is not signed, processing of your ballot could be delayed.

What if I make a mistake when marking my ballot?

If, after you have marked your ballot and you need to make a change, **do not** destroy your ballot. Call the office for instructions.

How quickly do I need to return my voted ballot to your office?

A voter may return their voted absentee ballot as soon as they have made their selections, completed and signed the 'Oath of Elector' and are able to mail or personally deliver it to our office. Absentee ballots can be returned to our office either by mail or by personal delivery. The latest a voter may return their voted ballot is Election Day, which means it must be in our office before the polls close at 7pm on Election Day in order to be accepted. The postmark date does **NOT** count. (There are special provisions for voters in the military and/or living overseas. Contact our office for details).

Where/How can I return my voted absentee ballot?

Voted absentee ballots may be returned by mail or they may be deposited into the Official Absentee Ballot Drop Box available at the Forsyth County Elections Office located at 1201 Sawnee Drive, Cumming, 30040. The Drop Box is available to voters 24 hours a day and monitored with security cameras. This allows voters the opportunity to return their absentee ballot safely and contact-free.

How do I know if my voted absentee ballot was received by your office?

Check it out online, go to www.mvp.sos.ga.gov. Login by entering your information. On your "My Voter Page" click on "Click here for Absentee Ballot status" under the 'Absentee Ballot Request Information' header. This will show if and when your voted ballot was received. Don't have access to the internet? Contact the Elections Office. We are happy to verify that information for you.

When will my Voted Absentee Ballot be Counted?

On Election Day. All absentee ballots remain sealed and under lock and key until Election Day. And, yes, following GA Election Code all absentee ballots submitted and accepted are counted in the final totals for every election.

WHAT IS AN ABSENTEE VOTER?

Per Georgia Election Code 21-2-380 (a) the term "absentee elector" means an elector of this state who casts a ballot in a primary, election or runoff other than in person at the polls on Election Day. Any voter who votes in person during Advance Voting or who requests their ballot be mailed to them is classified as an 'Absentee Voters.' They are 'absent' from their polling place on Election Day. A voter is not required to state a reason to request a ballot be mailed to them.

What if I request a ballot be mailed to me and then I decide I want to vote in person?

You can do that. If you have received your ballot, take it with you to the polling place and surrender it to the poll worker. Your absentee ballot will be cancelled in the system and then you will be allowed to vote in person on the election equipment. If you have not received your ballot or it has been lost/destroyed, you will be instructed by the poll worker to complete an Affidavit attesting to not having your ballot in your possession. After the poll worker contacts the Elections Office and confirms you have not already returned your voted ballot, your absentee ballot will be cancelled in the system and then you will be allowed to vote in person on the election equipment. There are checks and balances in place throughout the process to ensure each voter casts just one ballot.

If the Elections Office has already received your properly submitted voted absentee ballot, then you have been given credit for voting and the ballot you returned to the Elections Office will be counted. In this case, you will not be allowed to vote in person.

ABSENTEE VOTING TURNOUT STATISTICS

The Forsyth County Voter Registrations and Elections Office posts the Absentee Voting Turnout Statistics Report, which includes how many absentee ballots have been mailed, how many voted ballots have been returned to the Elections Office, as well as how many voters have cast their ballot by Absentee Voting In Person (Advance Voting), to our website daily. The turnout statistics posted are through the day before and are posted by approximately 11:00 a.m.

Election Results

Election Results are reported by votes cast in person on Election Day, voted absentee ballots that have been returned to the Elections Office and votes cast in person during Advance Voting.

VOTE IN PERSON EARLY, BEFORE ELECTION DAY, DURING 3 WEEKS OF ADVANCE VOTING

Due to the ongoing COVID-19 pandemic threatening public health in Georgia and around the world we want to remind voters of their option to exercise their right to vote without leaving their homes and without fear for their health: request a ballot be mailed to you.

Voting in person remains an option. Poll Workers will follow the county, state and federal recommended guidelines, which means that extra steps are being taken to limit the threat of COVID-19 at the polling place. Voters who show up to vote in person will be instructed to maintain a safe distance throughout the voting process to help ensure the health and safety of the voters and the poll workers. In order to implement these changes voting equipment numbers have been reduced. Additionally, the voting equipment and other items will be sanitized routinely; therefore, increased wait times and lines are likely during Advance Voting and on Election Day. Voters are encouraged to vote-by-mail if possible.

Advance Voting is scheduled to take place from Monday, July 20 through Friday, August 7, including, Saturday, August 1. Any Forsyth County registered voter may take advantage of Advance Voting in person during the hours and dates posted, regardless of where they are assigned to vote on Election Day. Only the Elections Office is open for all days of Advance Voting.

Voters are encouraged to review their Sample Ballot prior to going to the polls to vote and may do so by going to www.mvp.sos.ga.gov.
